II. General Prohibition

Students at TSTC neither lose the rights nor escape the responsibilities of citizenship. They are expected to obey and conduct themselves in accordance with local, state and federal law and the Code of Student Conduct as authorized by the TSTC Board of Regents. They may be disciplined by the college for violating these standards of conduct as set forth in this Code of Student Conduct on the campus or in connection with any college-related, sponsored or oriented activity. Interim Disciplinary Action—Pending any action or proceeding on the charges, the President, Vice President for Student Development, or Disciplinary Officer may take immediate interim disciplinary action, including suspension of a student from being present on the campus and attending class when the continuing presence of the student poses a danger to persons or property, or poses an ongoing threat of disruption of the academic process of the college. When such interim disciplinary action occurs, the suspending official will, if possible, meet with the student prior to suspension to discuss reasons for interim suspension and to allow the student to explain reasons against suspension pending a full hearing. After the imposition of interim disciplinary action, the suspending official will, if possible, meet with the student prior to suspension to discuss reasons for interim suspension and to allow the student to explain reasons against suspension pending a full hearing. After the imposition of interim disciplinary action, normal disciplinary action procedures will be followed thereafter, provided however that the student will remain suspended during all appeal stages when his/her continuing presence poses a danger to persons or property, or poses an ongoing threat of disruption of the academic process of the College.

5. Summons for Disciplinary Hearing – Summoning a student in connection with an alleged violation may be done by sending a letter to the student at the address appearing on his/her permanent record in the Student Records Office, or the notice/summons may be given directly to the student in person by the Disciplinary Officer. The letter will direct the student to schedule a hearing date during a specified time frame, not more than five days, after the date of the letter, at the Disciplinary Officer’s office. The notice will identify the alleged violation. A letter sent to the address listed in the Admissions & Records Office will constitute full and adequate notice. Failure of a student to provide an address change will not constitute good cause for failure to comply with a summons. Failure of the student to respond to the summons to schedule a hearing during the specified time frame will result in the hearing being considered waived by the student.

6. Disciplinary Sanctions
   a) Admonition —Oral or written reprimand from the Disciplinary Officer to the student on whom it is imposed.
   b) Discretionary sanctions —Work assignments, service to the college, or other related assignments.
   c) Disciplinary probation—Indicates that the student has engaged in unacceptable behavior and that further violation may result in more severe disciplinary action, including suspension. The Disciplinary Officer may impose conditions related to the offense, such as counseling, educational seminars, special classes, or unpaid work assignments, etc. Failure to meet the conditions will be considered an additional violation.
   d) Withholding of grades, official transcript, or degree – The Disciplinary Officer may withhold the issuance of an official transcript, degree, grade, or certificate of completion from a student alleged to have violated a rule or regulation of TSTC that reasonably would allow the imposition of the penalty of such withholding. The Disciplinary Officer may take such action pending an investigation, disciplinary hearing, Appeals Hearing, and/or exhaustion of appeal rights.
   e) Suspension of rights and privileges—including participation in intramural, extracurricular activities, election to student office, housing or visitation privileges, and other student activities. Suspension will be for a specified period of time and may impose limitations to fit the particular case, including removal from office or activities. Suspension may include prohibition from representing the college in any special honor activities. This penalty does not supersede or negate the rights or responsibility of any director of such activities to take interim action as necessary.
   f) Bar against readmission—for a specified period of time, and/or drop from current enrollment, or drop from enrollment in one or more courses. This sanction will become a part of the student’s permanent
record and will be removed at the completion of the sanction period, at the student’s request.

g) Restitution—Reimbursement for damages to or misappropriation of college, student, or employee property. Restitution may be monetary or by specific duties.

h) Denial of Degree—A student found guilty of scholastic dishonesty may be denied his/her degree. This sanction will become a part of the student’s permanent record.

i) Failing grade, or other academic penalty — Other academic penalties could include reduction of grade in a test, course, or other academic work, and/or performance of additional academic work not required of other students in the course.

j) Suspension from the college for a specified period of time — During such suspension a student will not attend class or participate in college campus activities (prohibits the student from entering the college campus without prior written approval of the VP). Suspension from the college and/or suspension of rights and privileges is the minimum penalty that will be assessed for conviction of illegal use, possession, and/or sale of a drug, narcotic, controlled substance or alcohol on college property. This sanction will become a part of the student’s permanent record and will be removed at the completion of the sanction period, at the student’s request.

k) Expulsion from the college — Expulsion may be permanent or for a specific period of time not less than one year. Permanent dismissal from the college prohibits the student from entering the college campus without prior approval of the Dean. This sanction will become a part of the student’s permanent record.

l) Revocation of a degree, grade or certification may be imposed when the violation involves scholastic dishonesty. This sanction will become a part of the student’s permanent record.

m) Blocking a student from enrollment until a specified act is performed by the student.

n) Bar from campus after suspension or dismissal— A student who has been suspended or dismissed from a state-supported institution of higher education after a hearing, in accordance with procedures established by the institution, for disrupting the orderly operation of the campus or facility of the institution, as a condition of the suspension or dismissal, may be denied access to the campus or facility, or both, of the institution for a period of suspension and, in the case of dismissal, for a period not to exceed one year.

o) Eviction or bar from campus housing.

p) Administrative withdrawal from a class or classes.

q) Other penalties—May be imposed appropriate to the circumstance when, in the opinion of the Disciplinary Officer or Hearing Officer, the best interest of TSTC would be served.

*More than one of the sanctions listed above may be imposed for any single violation.

VII. Appeals Process and Hearing

A. A student for which sanctions are imposed, but does not include any restrictions or loss of privileges, may appeal the decision of the Disciplinary Officer.

B. A student for which sanctions that include restrictions, loss of privileges, withholding of grades or degree, revocation of degree, suspension, or expulsion may appeal the decision of the Disciplinary Officer to the Student Judicial Review Board or to the Vice President for Student Development.

1. To file an appeal a student must complete an appeals request form available from the Disciplinary Officer within (3) three working days of the date of the notification of sanctions from the Disciplinary Officer.

2. Upon the filing of the request, the student will be notified within (5) five working days of the date of the request of the time, date and location of the Student Judicial Review Board hearing.

C. The Student Judicial Review Board will consist of five members: (3) three faculty/staff members, and (2) two student members, appointed by the President.

1. The Student Judicial Review Board will be chaired by a faculty/staff member appointed by the President.

2. The decision of the Student Judicial Review Board will be to review the findings of fact and sanctions originally imposed by the Disciplinary Officer. They may not impose more severe penalties. The decision will be made by a majority vote with the chair only voting to break a tie. All votes will be recorded by secret ballot, tabulated by the Chair.

3. The findings of the Student Judicial Review Board are appealable to the Vice President for Student Development.

4. Hearing procedures will be confidential and closed to the public.

5. The Board will hear the presentation of the case and evidence by the Disciplinary Officer followed by the student’s presentation. Each party will have the opportunity to present testimony, evidence and witnesses in support of their position. The Board will be allowed to question the parties, witnesses and/or
request additional information.

6. An accused student may have (2) two copies of any documents or evidence to be used in an appeals hearing, three (3) days prior to hearing, upon request by student.

D. General Rules

1. Right to counsel - The accused student or organization shall have the right to present witnesses and documentary evidence as may be pertinent to the case, and to question witnesses offered by other parties. The college reserves the right to counsel in the event it is deemed necessary. The time frame for scheduling a hearing may be extended if the college has to retain counsel.

2. At least (2) two full working days prior to the hearing, the accused student shall provide a list of all witnesses known by the student or organization who are expected to attend the hearing.

E. Evidence

1. Legal rules of evidence do not apply to these procedures; the Disciplinary Officer or Student Judicial Review Board Chair may admit and give effect to evidence of a probative value that commonly is accepted by reasonable people in the conduct of serious affairs. The Chair may exclude irrelevant, immaterial, and unduly repetitious evidence. The Chair may set reasonable time limitations on the presentation of any statement or evidence.

2. All evidence offered during the Appeals Hearing is made a part of the Hearing record.

Policies and Notifications

Academic Appeal
It is the intent of Texas State Technical College Waco to maintain the academic integrity of all instructional programs while affording students with a fair process for appealing grades and/or other elements of instruction.

These procedures are for academic appeal only; see other appropriate College Operating Procedures regarding issues of sexual and racial harassment (COP 1.41 and 1.42), disruptive behaviors (COP 7.50), etc. The procedures described below apply both to on-campus students and off-campus distance learning students. For distance learning students, available and appropriate technology (e-mail correspondence with attached documentation, a chat room, etc.) will be utilized to facilitate the procedures.

Procedures
1. At the start of each term, faculty members will provide their students with a written statement about the course objectives, required assignments, and grading policy. If the faculty member deems it necessary to modify the assignments or grading policy within the term, students will be provided with information about those modifications; ideally, written information regarding the changes will be provided to the affected students. Faculty members will apprise students of their classroom performance in a timely fashion.

2. If, during a term, a student has an academic concern (a dispute about a test or assignment grade or the nature of an assignment/activity), he or she should first discuss the matter with the faculty member. This discussion should take place within one week of the occurrence of the disputed matter. If the matter cannot be resolved between the student and the instructor, they should consult with the department chair. The department chair is the final arbiter of academic concerns during the term. (In the event that the instructor is the department chair, the student would bring an academic concern to the cluster director for final arbitration during the term.)

3. If a student has an academic grievance, the student has until the 12th class day of the subsequent term in which to begin the formal appeal process by consulting with the instructor of record. An academic grievance can consist of any of the following:
   - A contention of an arbitrary or capricious action taken by an instructor against a student;
   - A dispute over an accusation of cheating or dishonesty;
   - Any other dispute over a matter which has impacted the final course grade.
   (If the instructor of record is no longer available, the student should lodge the academic appeal with the department chair by the 12th class day of the subsequent term.)

4. If no satisfactory resolution regarding the academic appeal is reached after discussion with the instructor, the student should, within one week, take the matter to the department chair who supervises that faculty member. The department chair should gather as much information as is needed to make a fair ruling regarding the appeal and should apprise the faculty member and the student as to the ruling. The department chair will make his or her ruling within one week of hearing the student’s grievance.

5. If, after the department chair has made his or her ruling, the student still feels that a fair resolution has not been achieved, the student may appeal in writing to the appropriate Cluster Director. The student’s written statement should be filed within one week of receiving the department chair’s ruling and should include a clear description of the original problem and why the actions taken by the college are not satisfactory. The Cluster Director should gather as much information as is needed to make a fair ruling regarding the academic appeal and should apprise the department chair, the faculty member, and the student as to the ruling. The Cluster Director will respond in writing to these parties within two weeks of receiving the student’s written appeal.

6. If, after the Cluster Director has made his or her ruling, the student still feels that a fair resolution has not been achieved, the student may appeal in writing to the Vice President for Student Learning. The student’s written statement should be filed within one week of receiving the Cluster Director’s ruling and should include a clear description of the original problem and why the actions taken by the college are not satisfactory. The Vice President for Student Learning should gather as much information as is needed to make a fair ruling regarding the academic appeal and should apprise the Cluster Director, the department chair, the faculty member, and the student as to the ruling. The Vice President will respond in writing to these parties within
two weeks of receiving the student’s written appeal. (At the TSTC Waco extension centers, the student will consider the director of the center as the Vice President’s designee. The extension center’s director will respond in writing on behalf of the Vice President for Student Learning.)

7. If, after the Vice President for Student Learning (or the Vice President’s designee, as noted above in Step 6) has made his or her ruling, the student still feels that a fair resolution has not been achieved, the student may file with the Vice President’s office a written appeal to an Academic Appeal Committee (AAC). This written appeal must be submitted within one week of receiving the ruling from the Vice President for Student Learning (or the Vice President’s designee). Within three working days of the receipt of the written appeal, the dean will appoint a three-person academic appeal committee comprised of:

• A faculty member (not the faculty member involved in the dispute) from within the program, if possible. (If that is not possible, then a faculty member from the same cluster will be appointed.)
• A faculty member from a program outside the program of the faculty member involved in the dispute.
• A student (not the student involved in the dispute).

The Vice President for Student Learning (or the Vice President’s designee) will preside over the AAC. A note-taker will be present when necessary to record substantive discussions. The AAC should gather as much information as is needed to make a fair ruling regarding the situation. The AAC may invite the student and the faculty member to appear before the committee together or separately as appropriate, and may invite as many of the individuals who may add factual information necessary to come to a fair decision. The student may invite one support person to attend the appeal hearing. This support person may be an attorney. However, the support person may only advise the student making the appeal; the support person may not directly participate in the appeal process. The AAC will have up to two weeks from its appointment to make a ruling. Once a ruling regarding the academic appeal has been made, the committee should apprise the Vice President for Student Learning (or the Vice President’s designee), the department chair, the faculty member, and the student as to the ruling.

After the AAC has rendered its ruling, the student may appeal the decision in writing to the President. The President may or may not choose to act on the student’s appeal. Any decisions made by the President are final.

SB 1231 Limitation on the Number of Drops for Students

Under section 51.907 of the Texas Education Code, “an institution of higher education may not permit a student to drop more than six courses, including any course a transfer student has dropped at another institution of higher education.” This statute was enacted by the State of Texas in spring 2007 and applies to students who enroll in a public institution of higher education as first-time freshmen in fall 2007 or later. Any course that a student drops is counted toward the six-course limit if “(1) the student was able to drop the course without receiving a grade or incurring an academic penalty; (2) the student’s transcript indicates or will indicate that the student was enrolled in the course; and (3) the student is not dropping the course in order to withdraw from the institution.” Some exemptions for good cause could allow a student to drop a course without having it counted toward this limit, but it is the responsibility of the student to establish that good cause. Contact the Texas State Technical College Waco Registrar’s Office at (254) 867-2361 for more information before you drop a course. Policies and procedures for implementation of this statute are being developed and will be published as soon as they are available.

A TSTC Waco student affected by this statute that has attended or plans to attend another institution of higher education should become familiar with that institution’s policies on dropping courses.

Americans with Disabilities Act

The Americans with Disabilities Act (ADA) requires that public institutions such as TSTC provide reasonable accommodations to people with qualifying disabilities. It is the intention of TSTC to cooperate fully with the spirit and letter of this law. However, it is the responsibility of the student with a need for accommodation to indicate this need to Deaf/Disabled Student Services at least 30 days prior to enrollment to adequately schedule services.
Applying for Financial Aid

The Student Financial Aid Office staff is here to assist you with your financial aid questions and concerns. It is our desire to help you take advantage of every financial opportunity available to assist you in attaining your educational goals. All materials distributed by the Financial Aid Office should always be read thoroughly.

The financial aid philosophy at Texas State Technical College is to provide financial resources to students who would otherwise be unable to pursue a post-secondary education. However, the primary responsibility for paying for the cost of a college education lies with the student and his/her immediate family. Thus, financial aid should be expected only when the family is unable to meet the full cost of the student’s education.

Although financial aid programs are available to help students, please keep in mind that:
1. Not all students are eligible for grant assistance;
2. The amount of money available for financial aid is limited and may not meet all of your financial needs;
3. Financial aid is not always available when each term begins. Students must consider financial aid application processing time and federally mandated waiting periods.

Since financial aid may not pay for the entire cost of your education, we suggest that you plan ahead and make every effort to obtain as much money as possible from other resources to help with your college expenses. This may be particularly helpful at the beginning of each term before financial aid funds are made available.

The Financial Aid Office will attempt to meet the documented financial need of eligible students who meet all requirements. Financial aid is awarded on a first-come, first-served basis, based on financial need and availability of funds. You must complete enrollment requirements with the Admissions and Records Office before any financial aid can be awarded.

Instructions for Financial Aid for Fall 2008 through Summer 2009:

Step One
Submit the FAFSA (Free Application for Federal Student Aid), based on 2007 income information, by following the instructions at www.fafsa.ed.gov.

• TSTC Waco’s Federal School Code number is 003634.

If you wish to complete a paper FAFSA to mail to the processing center, or for us to submit electronically for you, you may obtain the application in the Financial Aid Office.

Step Two
You will receive a Student Aid Report (SAR) in the mail from the processing center within 2-3 weeks after you submit your FAFSA electronically, or if you provided your e-mail address, you will receive an e-mail with a link to your SAR in no more than 5 days.

Please review the information on the SAR and contact the Financial Aid Office if you discover any errors.
• If your file contains discrepancies, or is selected for verification by the United States Department of Education, you will be required to submit additional documentation to the Financial Aid Office.

You will receive an award letter when your aid has been processed, along with instructions on how to complete the process for a Stafford loan.

Step Three
Officially declare a major in the Admissions and Records Office. A major cannot be declared until all required transcripts are received by that office.
Note: Financial aid will not be credited to your student account until all transcripts are received.
Step Four
Pre-register. If you register early, your financial aid, if processed, will be credited to your student account prior to the start of the term.

Note: Aircraft Pilot Training (APT) students must submit a copy of their Class II Medical Certificate before any financial aid can be credited to their student account.

Eligibility
To receive financial aid, a student must meet the following qualifications:

1. Be accepted for admission to Texas State Technical College and be enrolled for a minimum of six (6) credit hours in a program of at least six (6) months in duration. Exception: The Federal Pell Grant program is funded for eligible students enrolled less than six (6) credit hours. All accepted students must have a high school diploma, a GED, or have demonstrated the “ability to benefit” from training provided at Texas State Technical College as determined by passing a standardized placement test.
2. Have established financial need as determined by a needs test application through an approved processor. Texas State Technical College uses the Free Application for Federal Student Aid (FAFSA).
3. Be enrolled as a regular student working toward a degree or certificate in an eligible program.
5. Have a valid Social Security Number.
6. Not be in default on a Perkins Loan (National Direct Student Loan), Federal Stafford Loan (Guaranteed Student Loan), Federal Parent Loan for Undergraduate Students, or Federal Supplemental Loan for Students.
7. Not owe a refund on a Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, or State Student Incentive Grant.
8. Agree to use all federal student aid solely for educational and educationally related purposes.
9. Sign a statement of educational purpose/certification statement on refunds and defaults, (included on FAFSA).
10. Male students who are eighteen (18) years of age or older, are U.S. citizens or eligible non-citizens, and are not currently on active duty in the Armed Forces are required to be registered with the Selective Service before any federal student aid can be awarded.
11. Maintain Satisfactory Academic Progress as defined in the satisfactory progress standards that are on our web site.
12. Aircraft Pilot Training students must submit a copy of their Class II Medical Certificate before any financial aid can be processed. APT student budgets are adjusted to reflect flight costs. Any APT student who does not fly for a term will lose the budget adjustments.
13. Students in the Dental Assistant Program must submit proof of DPT inoculation prior to enrollment.

Bookstore Policies
The TSTC Bookstore, located in the Student Services Center, is a full-service bookstore, selling required textbooks, tools, supplies, clothing, novelties and sundries. Remember the policies for bookstore refunds and book buybacks. You can get book refunds during the first 12 days of each semester during regular or extended operating hours. Always keep your receipt, which you must have for any refunds. A 100 percent purchase price refund requires the book in its original condition. Books not in original condition or unwrapped may qualify for a 75 percent refund. A 50 percent refund applies to books that are written upon, marked or soiled. Again, all refunds require sales receipts. The TSTC Bookstore posts “no refund” signs during the busiest times to help alleviate overcrowding and waiting times for regular purchases. If you notice a crowd or see a “no refund” sign, return at another time for refunds. Book buy back periods are for two days at the start of a semester and four days — usually during the final exam period — near the end of a semester.

Career Development Services
Career Development Services are offered through the Counseling & Testing Office, Institutional Programs, and the Office of Institutional Effectiveness, Research & Planning (IERP). Prospective and matriculated students, alumni, and employers are eligible to utilize these services. The Counseling & Testing Office offers undecided students assessment tests/inventories (Aptitude and Career Interest) and counselor assistance in selecting a career field. The instructional programs provide prospective and matriculated students with information on job opportunities in the major field, potential salary ranges, and placement assistance upon graduation. Documented student placement rate information by major is available through the IERP office.
Prospective employers are invited to attend the college’s annual “Industry Career Day” for recruiting purposes and are encouraged to post vacant job announcements on the TSTC Waco Web site for viewing by matriculated students and alumni. Specific questions regarding these services should be addressed to the departments named above.

Policy Prohibiting Racial Harassment
Texas State Technical College prohibits any act, deed, or speech interpreted as Racial Harassment, by or against, students, faculty, and staff of the College. Students or employees engaging in such conduct are subject to disciplinary action ranging from probation or suspension to termination of employment.

Philosophy Statement
TSTC is committed to the principles of free inquiry and free expression. Members of the college community have the right to hold, vigorously defend and promote their ideas and opinions to flourish or wither according to their merits.

Respect for this right requires that students and employees tolerate expression of views that they find offensive. All members of the educational community should however, voluntarily adopt standards of civility and good taste that reflect mutual respect, understanding, and sensitivity among its diverse racial, ethnic, and cultural groups.

TSTC is also committed to the principles of equal opportunity and non-discrimination. Each student and employee has the right to work and be educated without discrimination on the basis of gender, race, color, handicap, age, religion, sexual orientation, or national and ethnic origin.

Harassment of students or employees on the basis of race contributes to a hostile work or school environment that makes access to work or education for those subjected to it less than equal. Racist behavior also brings dishonor to the perpetrator, demoralizes and disrupts the academic community as a whole and diminishes the stature of TSTC.

Racist communication and acts demean, ridicule, and humiliate the victim and also can cause serious emotional distress, impede the learning process and in the form of “fighting words” may provoke a violent response.

For all these reasons, TSTC unequivocally condemns racist behavior in all of its forms. The Vice President for Student Development or designee (TSTC Disciplinary Office or Staff Counselor) has the primary responsibility for responding to an accusation or complaint of racial harassment and will inform the student of complaint, investigation, and resolution procedures during the initial meeting.

Upon receipt of an allegation of racial harassment, the Vice President’s designee shall ascertain the facts and provide mediation services to assist the student. These mediation services may include consultation with the student and alleged wrongdoer, either separately or together, and with Student Services staff, vice president’s, or other approved administrative officials of the College. If such mediation efforts result in a solution satisfactory to the student, the student shall be asked to complete a written and signed statement to the effect.

Where such mediation efforts fail or the student does not wish to pursue mediation, the student complainant may seek formal resolution concerning potential suspects of criminal behavior. The term is not relevant as it pertains to witnesses, complainants or other citizen contacts.

Racial Profiling Policy
The prohibition against racial profiling does not preclude the use of race, ethnicity or national origin as factors in a detention decision. Race, ethnicity or national origin may be legitimate factors in a detention decision when used as part of an actual description of a specific suspect for whom an officer is searching. Detaining an individual and conducting an inquiry into that person’s activities simply because of that individual’s race, ethnicity or national origin is racial profiling.
Examples of racial profiling include but are not limited to the following:
1. Citing a driver who is speeding in a stream of traffic where most other drivers are speeding because of the cited driver’s race, ethnicity or national origin.
2. Detaining the driver of a vehicle based on the determination that a person of that race, ethnicity or national origin is unlikely to own or possess that specific make or model of vehicle.
3. Detaining an individual based upon the determination that a person of that race, ethnicity or national origin does not belong in a specific part of town or place.

The TSTC Police Department holds two basic principles based on the adoption of this definition of racial profiling:
1. Police may not use racial or ethnic stereotypes as factors in selecting whom to stop and search, while police may use race in conjunction with other known factors of the suspect.
2. Law enforcement officers may not use racial or ethnic stereotypes as factors in selecting whom to stop and search. Racial profiling is not relevant as it pertains to witnesses, etc.

If you have questions about TSTC Police Department policies or procedures, call the office at 254.867.3690.

Release of Student Records
In compliance with the “Family Education Rights and Privacy Act of 1974 (FERPA)”, TSTC Waco gives notice that the following directory information will be released upon request and with the approval of the appropriate administrator, unless the student desires to withhold it: student's name, address, e-mail address, telephone number, major field of study, classification of coursework level, enrollment status, extracurricular participation in officially recognized activities, achievement and academic awards or honors, weight and height of members of athletic teams, dates of attendance, photographic image, and most recent previous institution attended.

Release of additional student record information, not defined as “directory information”, must be specifically authorized by the student (form available in the Admissions & Records Office).

Students may prohibit the release of directory information by completing the appropriate form available in the Admissions & Records Office during registration or within the first eleven class days of each semester. This request remains in effect until revoked, in writing, by the student.

Minors (under 18 years of age) attending TSTC have the same right to privacy of their records as adult students.

Student academic records information, other than directory information, may be released WITHOUT CONSENT of the student to the following parties:

1) an individual employed by TSTC in an administrative, supervisory, academic, research or support staff position (including law enforcement and health staff personnel);
2) an individual appointed to the TSTC Board of Regents;
3) an individual or company employed by or under contract to TSTC to perform a special task such as an attorney, auditor, or collection agency;

Policy Prohibiting Sexual Harassment

Texas State Technical College does not tolerate and expressly prohibits sexual harassment at TSTC. Offenders are subject to disciplinary action including possible suspension from the college or termination of employment. Students who believe they have been subjected to sexual harassment shall report to and consult with the Director of Human Resources.

Any employee, administrator or teacher who has received a report or complaint from a student relating to sexual harassment should immediately notify and refer that student to the Director of Human Resources. The complaint may be oral or in writing. After receiving an oral complaint, the Director shall make a written record of the specific incidents (name, dates and places) related to the complaint. The written account shall be reviewed by the complainant for completeness and accuracy and must be signed by the complainant before investigation is undertaken.

The Director shall, without delay, conduct an investigation into the alleged incident and interview all witnesses identified by the complaint in a confidential meeting. The Director may discuss the complaint or incident with appropriate administrators.

The Director will evaluate the findings of the investigation and shall look at the entire incident or circumstances in totality. The Director shall consider such things as the nature of the sexual advances or conduct, and the context in which the alleged incidents occur. The Director shall make a written report with findings. The report shall find whether or not the alleged conduct occurred and shall answer the following questions:

1. Is submission to said conduct made expressly or by implication, a term or condition of an individual’s employment or educational opportunity or advancement?
2. Is submission to or rejection of such conduct by an individual used as a basis for an academic or employment decision?
3. Does the conduct have the purpose or effect of unreasonably interfering with an individual’s work or academic performance or create an intimidating, hostile, or offensive work or education environment?

The report shall not contain any recommendations of punishment. The report may contain a finding of no sexual harassment. The Director will meet with and forward the findings of the investigation to the disciplinary authority or supervisor (as defined by TSTC Waco Policy and Procedure on Discipline and Student Code of Conduct) of the person accused of sexual harassment. The disciplinary authority or supervisor shall take appropriate action. He/she may use the findings of the Director, the recommendation of the Director, information obtained from his/her own investigation or other pertinent information relating to the employee or student into consideration. Any disciplinary action shall be conducted according to the current TSTC Waco disciplinary policy and procedure. The disciplinary authority or supervisor may consult and discuss the case with the complainant and the party accused of sexual harassment.
The investigative report and findings with the decision by the disciplinary authority or supervisor shall be forwarded to the appropriate parties, including the college president, and become a part of the personnel record (if applicable) and the student(s)' record(s). Privacy of individuals and confidentiality of information given will be maintained to the extent permitted by law throughout all phases of these procedures.

**Student Drug & Alcohol Policy Statement**

Texas State Technical College is a drug- and alcohol-free college and workplace. This handbook provides an abbreviated version of the policies on the prohibition of drugs and alcohol and the sanctions for violations thereof. The full-text version outlining these policies is available upon request from the Vice President for Student Development.

The unlawful manufacture, distribution, purchase, dispensation, possession or use of an illegal drug or alcohol by students and employees on college property, or as a part of any college-sponsored activity, is prohibited. Students violating any provision of the drug and alcohol policies are subject to disciplinary sanctions ranging from suspension to referral for prosecution. Information regarding drug and alcohol problems, as well as referral services, is available in the TSTC Health Services Center and the Counseling & Testing Center.

**Alcohol and Drug Use**

Drug and alcohol use, misuse, and abuse are complex behaviors with many outcomes at both the cultural and the individual levels. Awareness of the dangerous effects of drug/alcohol use is imperative for an individual's well-being or survival. Negative consequences of drug/alcohol may be exhibited through: physical dependence (the body’s learned requirement of a drug for functioning) or psychological dependence (the experiencing of persistent craving for the drug and/or a feeling the drug/alcohol is a requirement for functioning).

Abuse of any drug/alcohol whether licit or illicit may result in marginal to marked, temporary to permanent physical and/or psychological damage, even death. Since many of the illicit drugs are manufactured and sold illegally, their content varies and may contain especially harmful ingredients or amounts. Regardless of the types of drug/alcohol utilized, a perceived need for the continued use is likely to ensue, resulting in dependence. Dependence on drugs and/or alcohol alters the user’s psychological functioning. The acquisition of drugs and alcohol becomes the primary focus of the drug dependent individual and often results in reduced job performance and jeopardized family and other interpersonal relationships. Criminal behavior is frequently the means for financing a drug habit. Behavior patterns often include violence and assault as the individual becomes increasingly drug/alcohol dependent. Social and psychological alienation and medical problems increase as the abuser becomes entrapped in drug/alcohol dependence.

Drug/alcohol counseling referrals are available in the Counseling & Testing Center in the Student Services Center.

**Bacterial Meningitis and Immunizations**

This information is being provided to all new college students in the state of Texas. Bacterial Meningitis is a serious, potentially deadly disease that can progress extremely fast — so take utmost caution. It is an inflammation of the membranes that surround the brain and spinal cord. The bacteria that causes meningitis can also affect the blood. This disease strikes about 3,000 Americans each year, including 100-125 on college campuses, leading to 5-15 deaths among college students every year. There is a treatment, but those who survive may develop severe health problems or disabilities.

**What Are The Symptoms?**

- High fever
- Rash or purple patches on skin
- Light sensitivity
- Confusion and sleepiness
- Lethargy
• Severe headache
• Vomiting
• Stiff neck
• Nausea
• Seizures

There may be a rash of tiny, red-purple spots caused by bleeding under the skin. These can occur anywhere on the body. The more symptoms, the higher the risk, so when these symptoms appear seek immediate medical attention.

**How is bacterial meningitis diagnosed?**
Diagnosis is made by a medical provider and is usually based on a combination of clinical symptoms and lab results from spinal fluid and blood tests. Early diagnosis and treatment can greatly improve the likelihood of recovery.

**How is the disease transmitted?**
The disease is transmitted when people exchange saliva (such as by kissing, or by sharing drinking containers, utensils, cigarettes, toothbrushes, etc.) or come in contact with respiratory or throat secretions.

**How do you increase risks of getting bacterial meningitis?**
• Exposure to saliva by sharing cigarettes, water bottles, eating utensils, food, kissing, etc.
• Living in close conditions (such as sharing a room/suite in a dorm or group home).

**What are the possible consequences of the disease?**
• Death (in 8 to 24 hours from feeling well to dead)
• Permanent brain damage
• Kidney failure
• Learning disability
• Hearing loss, blindness
• Limb damage that requires possible amputation
• Gangrene
• Coma
• Convulsions

**Can the disease be treated?**
Antibiotic treatment, if received early, can save lives and chances of recovery are increased. However, permanent disability or death can still occur.

Vaccinations are available and should be considered for:
• Those living in close quarters
• College students 25 years old or younger

Vaccinations are effective against 4 of the 5 most common bacterial types that cause 70% of the disease in the U.S. (but do not protect against all types of meningitis).
• Vaccinations take 7-10 days to become effective, with protection lasting 3-5 years.
• The cost of vaccine varies; ask your health care provider.
• Vaccination is very safe – most common side effects are redness and minor pain at injection site for up to 2 days.
• Vaccinations are available locally through the Waco-McLennan County Public Health District at 225 W. Waco Dr., 254.750.5410; and Dr. Scott Lea, Waco. Infectious Disease Associates at 2911 Herring Ave., Suite 203, 254.755.4450.
How can I find out more information?
• Contact your own health care provider.
• Contact TSTC Student Health Services at 254.867.3820.
• Contact the Waco-McLennan County Public Health District at 254.750.5410.
• Contact Web sites www.cdc.gov/ncidod/dbmd diseaseinfo or www.acha.org.

Immunizations

Measles (also known as Rubeola, Red Measles, Hard Measles, 10-Day Measles)
Measles is a highly contagious viral disease. Antibiotics are not available to treat persons infected with this organism. Recent outbreaks of this illness have included many hospitalizations and several deaths among college-aged persons. For these reasons, it is strongly recommended that students of institutions of higher education have two doses of the vaccine prior to beginning classes. Most young adults have had only one dose. The measles vaccine most often is given in combination with the vaccines for mumps and rubella, which also are caused by viruses.

Tetanus (also known as Lockjaw)
The illness caused by tetanus results from the poison produced by a bacterium. Again, this is a very difficult illness to treat when it occurs, and prevention is the most appropriate choice. The vaccine is effective for about 10 years, and should be boosted at that interval. It now is common for older adults to develop tetanus in the United States, as many adults do not receive the recommended 10-year boosters. The tetanus vaccine should be given in combination with the diphtheria vaccine.

Poliomyelitis
In the United States, polio immunization is not routinely recommended for persons 18 years of age or older. However, if you plan to travel to other parts of the world, you should contact a physician for specific recommendations.
• Immunization is an integral part of your health care.
• This part is called prevention ...
• It means that, to stay healthy, you must do something before you become ill.
• Don’t be part of the problem ... Be part of the solution.
• Make sure that your immunizations are current now!

For more information on immunizations, contact your physician, public health clinic, or Student Health Services. Health students, please read below for information on immunization requirements and recommendations.

Hepatitis B — Dental and medical students, interns, residents, and fellows. A primary series must be begun or, preferably, completed prior to beginning direct patient care (if not already immune).

Hepatitis B — All students enrolled in health-related courses that have or will have direct patient contact prior to beginning direct patient care contact, especially contact with patient’s blood. A complete series or proof of immunity is encouraged. Dental — TB Screening.

For more information, see the amended Sections 2.09 and 2.09a of the Texas Education Code and the Texas Board of Health Rules, including the revisions adopted July 20, 1991, or call the Texas Department of Health, Immunization Division, at 1.800.252.9152.
Rules to Live by ... at TSTC

Residence Life Rules & Regulations
Most college students say they learn and grow as much by living on campus as they do by attending classes. The living environment at TSTC gives you opportunities for social interaction, interpersonal relationships and cultural activities. Residence life is an important component of your total development as a student. We encourage you to join in residence life and enlarge your experience through human relationships, new ideas and cultural diversity. TSTC offers on-campus housing for the single, married or family student.

Student Housing Policy. TSTC requires that all new students who are under the age of 21 on the first day of class for which they enroll, must live on campus for a minimum of three quarters (Policy and Procedure 4.1). Policy exemptions will be considered for students who:

a. Live with parents/legal guardians and commute;
b. Are married or have dependents;
c. Have a doctor’s exemption for medical circumstances which cannot be accommodated;
d. Have completed two semesters or three quarters of college work.

Special circumstances justifying an exemption will be considered by the Director of Residence Life/Student Discipline and should be directed to the Residence Life Office.

Please submit an application for enrollment to TSTC before applying for housing. The full deposit must accompany the housing application for both single student and family housing. For more specific information regarding single student housing, contact the Residence Life Office, located in Lavaca Hall, at 254.867.4809.

Residential Housing. TSTC offers several on-campus housing options for married students or students with children. For more information on types and availability, contact TSTC’s Family Housing Office at 254.867.3824, or stop by the office located in the Administrative & Financial Services building.

It is our belief that the residential life experience is an important part of your educational process. The living environment at TSTC gives students the opportunities for social interaction, interpersonal relationships and cultural activities. We want to foster a living/learning environment where students can develop qualities of self-discipline responsibility and will enlarge your educational experience through new ideas and cultural diversity.

This portion of the Student Handbook is designed to provide you with an introduction to residence life at TSTC. You will find information regarding staff, programs and expectations, as well as the policies that govern students who live on campus. You will need to familiarize yourself with these rules and regulations as you are expected to abide by them. It is the students’ responsibility to read and understand the rules and regulations that govern residence life.

Residence Life Staff. The Residence Life staff is available to assist you in your educational experience. We hope to create a living/learning environment that will not only allow you to develop your educational goals but to develop personally and socially as well.

The Residential Life program consists of Resident Assistants (RAs) and Community Assistants (CAs) who are selected for their ability to communicate with others, their willingness to accept responsibility as well as possessing a genuine desire to assist others. RAs and CAs are primary resources of information for you. RAs/CAs receive training to enable them to deal with various situations. We would hope that you would use them as a resource when you have problems. RAs/CAs are employees and should be treated with the same respect as any other employee. They have a primary responsibility to enforce policies of the institution and the rules and regulations of residence life and you are expected to cooperate accordingly.

The Village Oaks staff members (Accountant, Marketing Specialist, Assistant. Manager and Manager) are responsible for the direct operations of the Village Oaks Apartment complex. Students living at Village Oaks will work directly with the on-site staff members. The Village Oaks Apartment Complex is privately managed by Campus Living Villages, Inc.

The Residence Life & Student Discipline staff (Director, Coordinator and Staff Assistant) is responsible for the direct operation of Red River Apartments and Lavaca Hall. Students residing in these areas will work directly
with the Residence Life & Student Discipline office. In addition to overseeing housing operations, this office also handles discipline matters for the entire campus. As part of the Student Development Division, this office reports directly to the Vice President for Student Development.

**Residence Life Policies**

The TSTC Residence Life policies apply to all residence facilities at TSTC Waco including Red River Apartments, Village Oaks Apartments, and Lavaca Hall. Any student having signed a contract/lease agreement is expected to abide by these policies.

**Antennas.** No freestanding antennas or poles are permitted to be installed at any facility. Splicing of an antenna or cable television is prohibited.

**Appliances.** Residents of Red River and Village Oaks apartments are responsible for the condition and cleaning of the appliances. Ceiling fans are prohibited. Students are not allowed to install appliances such as washing machines, dryers or dishwashers. Oscillating and box fans may be used. Stereos and televisions are permitted. We ask that you observe quiet hour regulations when using these items. (See Quiet Hours).

**Application.** Anyone who wishes to live on campus will need to complete a housing application and return it. Housing assignments will not be made or reserved until the receipt of the deposit or special arrangements have been made. (See Deposit.)

**Assignments.** Every attempt is made to accommodate student preferences for housing assignments through the application information provided by all students when they apply for housing. It is our practice to attempt to assign students with similar interests and lifestyles to the same residence. Priorities for housing assignments are based on the date the deposit and application are received. The housing contract/lease agreement is for a space and does not guarantee assignment to a particular type of facility or room.

It is sometimes necessary to consolidate housing assignments to reduce the costs of operation. Dependent on the demand for space, we will consolidate and close apartments, sections, floors or buildings when the need arises. Each student who is affected will be notified to make arrangements to move without charge. We will make every effort to reassign the student to an acceptable space. Any costs that may be incurred by such moves such as telephone, cable television, etc. should be discussed with management upon receipt of consolidation notice.

Room changes may be made at the beginning of each quarter. The moving period will be posted and any room changes should take place during that period only. Should special situations arise after that period, you will need to see the apartment manager or the director. Room changes WILL NOT be made on the basis of religious, ethnic or similar differences with roommates.

TSTC reserves the right to deny access to housing or reassign students when it is considered to be in the best interest of the institution. There will be no charge for moves initiated by the institution for disciplinary matters; however, the student does risk forfeiture of the security deposit. (See Discipline, Deposit.)

**Automobiles & Motorcycles.** Students are to follow all federal, state and campus statutes pertaining to the operation of any and all vehicles. Any damage caused by any unlawful activities will be charged to the offender’s account. No repair work of any kind is to be done in the parking areas. Should a vehicle become inoperable, students should notify the necessary staff to make the necessary arrangements. No vehicle may be left on jacks, logs, blocks, etc. Inoperable vehicles may be towed at the owner’s expense in accordance with the Waco Ordinances for Junk Vehicles.

**Between Semesters/Holiday Occupancy.** Single student housing rental rates are based on days of occupancy when TSTC is in session. Students may occupy their space during breaks and holidays as long as the space does not require maintenance. There may be times when certain facilities will need to be completely closed during a break. Students will be given adequate notice to temporarily vacate.

**Cable Television.** Cable television hookups are available in the apartments. Activation of the service is the student’s responsibility and all charges will be assumed by the student. The rooms in the residence hall also
have cable availability, and a TV lounge is available for use by the residents.

**Cancellation of Lease Agreement.** The housing lease agreement is a binding document and students are expected to fulfill the obligations. The terms by which a lease may be terminated by the resident are identified in the agreement and students will need to be familiar with them. Any request for cancellation of a lease agreement will need to be in writing.

Village Oaks residents will need to direct their requests to the manager of Village Oaks. Residents of Red River apartment and Lavaca Hall will need to direct requests to the Director of Residence Life/Student Discipline.

The students who deliberately cause damage or those who cause damage as a result of an unauthorized activity may be subject to disciplinary action.

**Dartboards.** Soft tip darts and dartboards are allowed in housing facilities. Steel tip darts are prohibited.

**Deposit.** The security deposit is to accompany the student's application for housing in order to receive a housing assignment reservation. The deposit is only returned when the student has followed the proper check-out procedure, paid all debts, all charges have been cleared and lease agreement has been fulfilled.

**Discipline.** TSTC expects that all students abide by policies and regulations involving student conduct defined herein. When violations of such policies occur, students will be referred through the institutions disciplinary process. There are several types of disciplinary actions that may be imposed. These actions, as well as the appeal procedure and due process proceedings, are defined in the Code of Student Conduct section herein.

**Drugs.** Use or possession of illegal drugs and/or paraphernalia is prohibited in campus housing facilities and surrounding areas. Any student in violation of these regulations or whose behavior is affected by the use of drugs will be subject to disciplinary action. If illegal substances or contraband are found in the common area of a living environment, each resident will be held responsible. It is the student's responsibility to report any such violation to the proper authorities. (See Prohibited Items.)

**Drug Dogs.** For the protection of all students, TSTC employs the use of “drug sniffing” dogs as a means of enforcing the institution’s policy on drugs and/or weapons. Drug dogs will be used periodically in the housing areas and parking lots as allowed by law. (See Entry, Search & Seizure.)

**Eligibility.** Only those persons enrolled at TSTC Waco will be allowed to reside in single-student campus housing. If at any point, a resident discontinues enrollment as a student at TSTC, they will be required to vacate the premises.

**Emergencies.** See Fire, Safety & Security; Maintenance; Weather.

**Entry, Search & Seizure.** Students, along with all other citizens, are protected by the constitution against unreasonable search and seizure. If, however, there is “reasonable cause” to believe that an institutional policy or law is being violated, a search may be considered reasonable. The alert by a drug-sniffing dog is considered reasonable cause and a search warrant will be sought.

TSTC reserves the right to enter a student’s living space when the occupant of the space may be harmed or endangered; for the purpose of inspection of property; to seek missing furnishings; to make improvements or repairs; to control the space in the event of an epidemic or an emergency; to ensure evacuation during fire drills; to conduct routine safety inspections, repairs or pest control; to check for suspected violations of the institution’s policies on drugs or weapons; to exercise contractual lien; to remove unauthorized pets; to show probable cause that a violation of TSTC policy is being or has been committed upon invitation of a resident; to allow entry by a law enforcement officer with a warrant; to show space to inspectors, fire marshal, or an appraiser. A notice will be left for the resident describing the purpose of entry any time that a space has been entered.
Evictions. Students may be evicted from housing when they fail to meet enrollment requirements, fail to make financial payments or as a result of disciplinary action. Residents who have been evicted may return to campus when they meet the terms of the eviction; i.e. re-enrollment in the institution, payment of fees or clearance by the institution’s disciplinary officer.

Fees. The costs of damages and/or cleaning charges are not covered by the terms of your lease agreement. Any additional charges will be assessed to the student. If you have a question regarding charges, contact the appropriate office.

Fire, Safety & Security. It is the responsibility of each resident to be familiar with the policies and procedures designed to ensure safety and security. Fire alarms signal that all occupants of the building are to evacuate immediately. In the apartments, evacuation may include neighboring apartments, building, etc. Residents should follow the instructions of the RA/CA during fire alarm/drill procedures. The RAs/CAs will evacuate areas as they deem necessary in order to ensure the safety of all residents. Any person who fails to comply with the evacuation proceedings will have disciplinary action imposed against them.

Furniture. The furniture in the room is there for the residents of that apartment. The items in the living areas should remain in the living area and not be taken to individual rooms. No furniture should be taken outside the living area. Personal furnishing must be removed at move out to avoid forfeit of deposit and/or additional fines.

Gambling. Gambling is not permitted in any housing facilities. Residents found in violation are subject to disciplinary action.

Garbage. Housing facilities have trash dumpsters located in their areas. Residents are responsible for disposing of their own garbage. Items such as engine parts, carpets, furniture, etc. not be picked up. Do not place garbage outside your door, on the patio or balcony as it will result in disciplinary sanctions and a charge for removal.

Grills. Due to the potential fire hazard, grills are not permitted on the porch/balcony areas, stairwells or parking lots of housing facilities. However, there are several grills located adjacent to the buildings for use by the residents.

Guests. Residents have paid for the educational support campus housing provides. Any guests of residents are subject to the same rules and regulations. Guests should not impose on the rights of other residents. Residents will be held responsible for the actions of their guests. In order to maintain the spirit of a community living environment, we ask that you abide by the following visitation hours in all residences:

• 10 a.m. until 11 p.m. Sunday through Thursday
• 10 a.m. until 1 a.m. Friday and Saturday

Guest Rules. The host should accompany all guests while in any of the housing facilities. Residents are not to give guests the key to their space.

• No person will be allowed to use visitation privileges unless the specific guest of the resident and the host is present.
• Residents are not allowed to invite unauthorized guests to reside, even temporarily, in their residence.
• Overnight guests of the opposite gender are not permitted.
• Residents should register all guests with the housing staff.
• Unauthorized visitors may be asked to leave immediately by a staff member.

Identification Card. All students, when asked to do so, should identify themselves to any college official (including RAs/CAs) upon request. In compliance with Texas state law, students should carry their TSTC ID card on their person at all times.

Incident Reports. Any staff member, including an RA/CA has the authority to file an incident report for offenses which violate institutional policies. Anyone issued an incident report will need to contact the appropriate authorities the following working day. Information on the contact procedure is located on the
incident report. **Important:** Failure to report will result in disciplinary action being taken based on the information in the report.

**Insect Problems.** Residents who discover insect problems should report them to a housing official immediately. Residents should keep in mind that food and an unclean environment attract insects and may cause a health hazard.

**Inspections.** Staff members will from time to time conduct safety inspections to ensure that safety standards are being met, to check smoke detectors and fire extinguisher and to check for safety and health hazards that may have been created. Notice will be given to residents when safety inspections are to be done. If safety hazards exist, they will be corrected immediately. If they are a result of the resident’s actions, the resident(s) will be charged for the corrections. (See Entry, Search & Seizure.)

**Keys.** Every resident is provided with a key to his or her space at check-in. It is the resident’s responsibility to keep possession of those keys. Lost or stolen keys should be reported immediately in order to protect the safety of the residents and their belongings. Residents will be responsible for any re-key charges that are a result of stolen or lost keys. Residents may not have duplicate keys made. If duplicates are found, the locks will be re-keyed and the resident will be charged. If a student desires to have additional security devices on their spaces, it will need to be approved through the appropriate housing office. Keys are to be returned as part of the check-out procedure. Residents will be considered to be occupants of the space and charges will be accrued until keys are turned in unless written notice has been provided to the appropriate office. Failure to turn in keys, however, will result in the automatic forfeiture of the deposit.

**Laundry Facilities.** Laundry facilities are located on or near housing facilities. Laundry rooms are for the residents only. We ask that you cooperate by helping us to keep them clean. Laundry facilities have hours of operation that will be posted in the facility.

**Lock-Outs.** Residents who become locked out of their space can contact the appropriate housing office during the normal working hours or the RA/CA on duty after hours. For your protection, identification will be required prior to students regaining access to the space.

**Mail.** Residents of Red River Apartments and Lavaca Hall may obtain a key and a post office box from the Residence Life Office in Lavaca Hall. Residents of Village Oaks may receive a key and a box assignment at the Village Oaks office.

**Maintenance.** Maintenance problems are to be reported to an RA/CA or to the office as soon as possible. In emergency situations after hours, you will need to contact an RA/CA to address maintenance needs. They will be able to contact after-hours maintenance staff. After hours maintenance will be done only for emergencies. If you are unable to report emergency needs to your RA/CA, contact Police Department at 254.867.3690.

**Messages.** Due to limited personnel, we are unable to provide a message service for you. However, students may advise relatives that in case of an emergency, we will make every effort to contact you.

**Move Out.** All students who are not enrolled for the following semester should properly check out of their space at least 24 hours after their last final, but no later than 5 p.m. on the last day of the semester. Properly checking out consists of removing all trash and personal items from the assigned space, returning all keys to the appropriate office and completing all necessary paperwork. Items left in an apartment once the students have checked out will be considered abandoned and will be disposed of at the resident’s expense. Failure to move-out by the designated time will result in additional fees. Moving out prior to the end of one’s lease does not constitute a cancellation of the lease. (See Cancellation of Lease Agreement).

**Noise.** The volume of noise is to be kept low to ensure that other residents are not infringed upon. Quiet hours are to be observed from 11 p.m. until 10 a.m. unless otherwise posted.

**Nurse, Health Services.** The TSTC Waco campus Health Center is located on the corner of Scott Circle and Avenue D. The health center is open from 8 a.m. until 5 p.m. Monday through Friday. Should an emergency arise after hours you can contact emergency services by using the 911 procedures or contact an RA/CA. Emergency transportation is not provided. (See Fire, Safety & Security.)
Parking. All vehicles are required to be in legal, operable condition to be parked in the housing area. Parking in the grass, on the sidewalk, in front of trash dumpsters or any area marked restricted is prohibited. Those in violation will be towed at the owner’s expense. Vehicles without proper license, inspection or parking permits may be ticketed or towed.

Payments. Residents are responsible for payment of fees on time. It is the resident’s responsibility to make payment on time without notice. Failure to do so will result in action that may include eviction.

Pets. Pets are not permitted in single student housing facilities. Fish tanks are acceptable but must be moved during breaks or holidays. An animal control officer will remove unauthorized pets. (See Entry, Search & Seizure.)

Phones. Students are responsible for the arrangements for telephone service and any charges associated with it. Contact the office for information. Local telephone service is provided in individual rooms in the residence hall. Residents must provide their own phone.

Posters/Wall Hangings/Decorations. We ask that you use tape with gummed adhesive in hanging items from concrete or brick walls. Small nails or straight pins should be used on Sheetrock walls. Any damages caused will be charged to the residents. No flags, banners, signs, posters, or any other medium for a message may be displayed outside or in view of the public. Lewd, indecent, obscene expression or conduct is not condoned by the institution.

Prohibited Items. TSTC officials will confiscate all unauthorized items. The following items are strictly prohibited:
- Alcoholic beverages and/or empty containers
- Illegal drugs or paraphernalia (pipes, hookahs)
- Weapons of any kind, guns, knives, clubs, ammunition, etc.
- Fireworks
- Darts and dartboards (steel tipped)
- Electrical or gas space heaters
- Inoperable vehicles
- Candles, incense or devices with open flames
- Personal beds/waterbeds
- Pets

Quiet Hours. Reasonable noise levels are to be maintained at all times. Any infractions should be reported to the RA/CA. Quiet hours to be observed are from 11 p.m. until 10 a.m. Residents should limit their volume so as not to disturb the neighbors or roommates. Residents are asked to cooperate with RAs/CAs when asked to reduce the noise level. Failure to do so will result in disciplinary action.

Reserve/Release. It is assumed that until the terms of the lease agreement have been satisfied, the student reserves the space for the following semester. Once the terms of the lease agreement have been met, the student will be notified and required to complete a reserve/release notification. Failure to do so will result in the space NOT being reserved and assigned to another student. Students who Co-op will need to notify the office to make the necessary arrangements.

Students who notify the office that they are releasing their space but fail to return their keys and reasonably appear to have moved out will forfeit their deposit and be subjected to additional charges. (i.e. cleaning, removal of excess items, etc.)
