

**AIRCRAFT PILOT TRAINING  
ASSOCIATE OF APPLIED SCIENCE  
COURSE**

In addition to tuition and fees, the Aircraft Pilot Training program requires flight fees for the program. See the additional estimated flight fees below.

**AIRCRAFT AND INSTRUCTION RATES**

<b>Piper PA-28-181:</b>		
	Solo flight	\$131/hour
	Fuel surcharge	\$53/hour <sup>1</sup>
<b>Cessna 172:</b>		
	Solo flight	\$121/hour
	Fuel surcharge	\$53/hour <sup>1</sup>
<b>Piper PA44 -180:</b>		
	Solo flight	\$192/hour
	Fuel surcharge	\$106/hour <sup>1</sup>
<b>Instruction:</b>		
	Dual flight instruction	\$65/hour <sup>2</sup>
	Pre/Post flight ground instruction	\$65/hour <sup>3</sup>
	Additional ground instruction	\$65/hour

<sup>1</sup>Fuel surcharge based on ((TSTC discounted price per gallon x gallons per hour) + 10%).  
<sup>2</sup>This is in addition to the solo flight fees for the aircraft flown when flying with an instructor.  
<sup>3</sup>Pre and post-flight ground instruction is based on .6 hours billed per dual instruction flight.

**ESTIMATED EXPENSES PER COURSE**

These are not flat-rate courses. Estimates are based on realistic times for students to complete each course. Each student will complete flight course at their own pace. Therefore, your hours and fees will vary based on your ability to master the course objectives.

**AIRP-1215 PRIVATE PILOT CERTIFICATION**

58 hours Piper PA-28-181 rental .....	\$7,598
58 hours fuel surcharge.....	\$3,074
52 hours dual flight instruction .....	\$3,380
45 hours of pre/post-flight and ground instruction.....	\$2,925
Unlimited flight simulator access .....	\$200
FAA Written knowledge test .....	\$175
FAA Examiner fee (check ride) .....	\$900
<b>ESTIMATED COURSE EXPENSES .....</b>	<b>\$18,252</b>

### AIRP - 1175 INTERMEDIATE FLIGHT

58 hours Piper PA-28-181 rental .....	\$7,598
58 hours fuel surcharge.....	\$3,074
15 hours dual flight instruction .....	\$975
Unlimited flight simulator access .....	\$200
10 hours of pre/post-flight ground instruction.....	\$650

**ESTIMATED COURSE EXPENSES ..... \$12,497**

### AIRP - 2250 INSTRUMENT CERTIFICATION

54 hours Piper PA-28-181 rental .....	\$7,074
54 hours fuel surcharge.....	\$2,862
54 hours dual flight instruction .....	\$3,510
51 hours of pre/post-flight ground instruction.....	\$3,315
Unlimited flight simulator access .....	\$200
FAA Written knowledge test .....	\$175
FAA Examiner fee (check ride) .....	\$900

**ESTIMATED COURSE EXPENSES ..... \$18,036**

### AIRP - 2239 COMMERCIAL FLIGHT

78 hours Piper PA-28-181 rental .....	\$10,218
78 hours fuel surcharge.....	\$4,134
78 hours dual flight instruction .....	\$5,070
46.8 hours of pre/post-flight ground instruction .....	\$3,042
Unlimited flight simulator access .....	\$200
FAA Written knowledge test .....	\$175
FAA Examiner fee (check ride) .....	\$900

**ESTIMATED COURSE EXPENSES ..... \$23,739**

### AIRP - 2236 CERTIFIED FLIGHT INSTRUCTOR (CFI)

29 hours Piper PA-28-181 rental .....	\$3,799
1-hour Cessna 172 rental (spin training).....	\$121
30 hours fuel surcharge.....	\$1,590
30 hours dual flight instruction .....	\$1,950
28 hours of pre/post-flight ground instruction.....	\$1,820
Unlimited flight simulator access .....	\$200
FAA Written knowledge tests (2) .....	\$350
FAA Examiner fee (check ride) .....	\$1,800

**ESTIMATED COURSE EXPENSES ..... \$11,630**

**AIRP - 2251 MULTI-ENGINE (ALTERNATE Only NOT addition TO course selection. Only for AIRP-2236 alternate does not qualify for MBG of tuition).**

20 hours Piper PA44-180 rental.....	\$3,840
20 hours fuel surcharge .....	\$1,060
20 hours dual flight instruction.....	\$1,300
22 hours of pre/post-flight ground instruction .....	\$1,430
Unlimited flight simulator access .....	\$200
FAA Examiner fee (check ride).....	\$900

**ESTIMATED COURSE EXPENSES.....\$8,730**

**TOTAL COURSE FLIGHT EXPENSE ESTIMATE (CFI path)..... \$84,154**

**TOTAL TUITION & FEES ESTIMATE (Tier 3).....\$13,920**

**ESTIMATED TOTAL FOR PROGRAM ..... \$98,074**
