

HESI A & P: Anatomy and Physiology Exam

This **HESI A&P** exam evaluates a student's understanding of the structure and function of the human body. Questions may cover topics such as the skeletal, muscular, cardiovascular, respiratory, nervous, digestive, urinary, and reproductive systems. It tests knowledge of organ systems, anatomical terminology, physiological processes, and how they relate to health and illness.

The fee for the exam is \$47 plus tax, payable on the exam day. Students will also be responsible for the proctoring fee of \$25 plus a \$7 one-time annual registration fee.

Before test day please ensure that you have created an account with Elsevier:

<https://evolve.elsevier.com>

How to Schedule your Exam:

Sign-in: (New testers will be assessed an annual one-time, non-refundable fee of \$7)

Harlingen: tstc.edu/Testing-Hgn

Sweetwater: tstc.edu/Testing-Swtr

Step 1: Choose a group: HESI A&P

Step 2: Choose exam: HESI A&P

Step 3: Choose a date and time.

Step 4: Complete required information. Please check the box to acknowledge that you have read and understand the testing center policies.

Step 5: Click "**Add to Cart**" and enter your payment method details and click "Purchase Exam".

Optional Review Material

1. This option is an interactive, engaging, self-paced course for students to review the material. It is \$63 and the link is: <https://evolve.elsevier.com/cs/product/9780323791090>

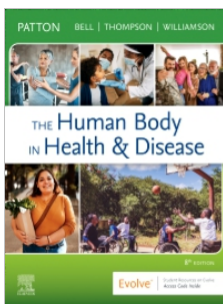

Anatomy and Physiology Online for Anatomy & Physiology, 11th Edition

by Kevin T. Patton, PhD, Frank B. Bell, DC, MSHAPI, Terry Thompson, MS, MSHAPI and Peggie L. Williamson, PT, DPT, MS, MSHAPI

Online Course

With **Anatomy and Physiology Online**, your students will get more from Patton's *Anatomy & Physiology* text! This dynamic online course uses narrated animations, interactive exercises, and assessments to help students master the most important concepts presented in the 11th edition of the textbook. Modules correspond to key chapters in the book, and each includes a set of lessons designed to reinforce understanding of the human body and how it functions. Included with the purchase of a new Patton *Anatomy & Physiology* textbook or available separately, **Anatomy and Physiology Online** brings A&P to life!

2. Here is another option. Depending on what you are seeing around deficits, this might be a better option over the other and both feature Patton as the key author. This one is \$78 and the link is: <https://evolve.elsevier.com/cs/product/9780323755481>

Anatomy and Physiology Online for The Human Body in Health & Disease, 8th Edition

by Kevin T. Patton, PhD, Frank B. Bell, DC, MSHAPI, Terry Thompson, MS, MSHAPI and Peggie L. Williamson, PT, DPT, MS, MSHAPI

Online Course
