TEXAS SUCCESS INITIATIVE (TSIA2) ASSESSMENT 2.0

In the Fall 2013 semester, the Texas Success Initiative (TSI) Assessment established new college readiness standards for incoming students. The TSI Assessment is designed to help determine if students are ready for college-level coursework in the general areas of Reading, Writing and Math. If the student does not meet testing requirements, the assessment will also help with student placement in courses that will aid in the preparation of student skills for college-level classes. For questions please call 956-364-4997 or email advisement.center@harlingen.tstc.edu. Student must have taken the TSI assessment to apply to the program. If applicant is not TSI complete upon acceptance into the VN program, student is required to be enrolled and take VN Program courses and TSI remediation courses congruently. Student must be TSI complete prior to completion of the VN Program.

Before enrolling in classes at TSTC, applicants are required to submit one of the following:

- Scores from at least one Texas Success Initiative (TSIA/TSIA2) assessment.
- Evidence of TSIA/TSIA2 completion from another Texas college or university.
- Proof of exemption from the TSIA/TSIA2.

Applicants failing to achieve minimum passing scores on any or all of the TSI Assessment 2.0 (TSIA2) sections may be eligible to enroll in a remediation course or courses. Successful completion of course(s) fulfills the TSI requirement.

A Pre-Assessment Activity (PAA) must be completed prior to taking the initial TSIA2. The activity can be found and completed online at: https://www.tsipreview.com/welcome/tstc-west-texas.

Once you have completed the Pre-Assessment Activity, you are ready to schedule an appointment to take the TSIA2. For on campus testing, please select a location near you. For virtual or online testing, please register at tstc.edu/Testing-Waco.

DRUG SCREENS AND CRIMINAL BACKGROUND CHECKS

Drug Screens

Applicants accepted into the Vocational Nursing program at TSTC will be required to complete a random drug screen by a specified date to be announced at a later time. The TSTC VN faculty will have access to all students’ results to serve as evidence for Texas Board of Nursing (BON) and clinical affiliate compliance. Applicants will be responsible for any and all charges incurred for the drug screen including travel expenses to the testing site. Failure to have necessary 20 dollars for drug screen on your person and complete the drug screen within the time frame given will result in dismissal from the VN program.

Note: Drug screen results may be released to an official representative of a clinical agency, under contract with TSTC, if formally requested. If an applicant has concerns regarding this practice, please contact the VN Program Director or academic advisor.

Criminal Background Checks

TSTC Vocational Nursing program requires evidence of a clear criminal background investigation due to the BON requirement of a clear criminal background prior to authorizing graduates to take the NCLEX-PN. The Texas Board of Nursing conducts a criminal background check (CBC) with the Texas Department of Public Safety (TDPS) and the Federal Bureau of Investigation (FBI). Identogo is the online provider of this service. Applicants are required to submit fingerprints through Identogo. The applicant is responsible for the cost of the background investigation.

After the application deadline, the Program Director will submit a roster of all applicants to the BON. The roster includes date of birth, social security number and email address. A correct email address on the enclosed application is CRITICAL to receive correspondence from the BON and Identogo. DO NOT provide an email address assigned by your high school (this will have isd in the email address). Information and instructions on completing the CBC process will be reviewed during the first mandatory orientation. Additional information will be provided via email from Identogo to all applicants that submit a complete application packet. This process may take a few days. If you have not heard from Identogo with instructions to get the process started there is an additional form that will be given to you in your orientation packet, follow those instructions. Please reach out to the Vocation Nursing program Director via email at hmsauceda@tstc.edu if you have questions or did not receive any emails from Identogo.
Criminal Background Checks for Applicants with a Criminal History

Applicants with a criminal history are encouraged to access the Texas Board of Nursing web site for information on filing a Petition for Declaratory Order (DO). The Texas Board of Nursing website is www.bon.state.tx.gov. Click on “Applications and Forms” on the right side of the screen; scroll down and click on “Initial Licensure & Recognition Forms”; scroll down and click on “Petition for Declaratory Order”. Any costs associated with a DO are the sole responsibility of the applicant.

A partial list of offenses and situations that require a DO is noted on the Statement of Student Responsibility, page 15 and 16 of this application packet. A complete list is available on the BON web site. This process can be started before submitting an application packet. Follow the instructions carefully as you prepare for the background check. If needed, the TSTC VN program code is: US27106100.

One or more of the clinical sites utilized by the TSTC Nursing Department may require an additional drug screening and/or criminal background check. These are in addition to the application requirements. A separate processing fee at the expense of the student is required. FYI: Any clinical facility may reject a student due to a criminal issue whether it is cleared or not.

Documenting History of Illness: Varicella (Chickenpox)

This form summarizes the “Exceptions to Immunization Requirement (Verification of Immunity/History of Illness)” incorporated in Title 25 Health Services §97.65 of the Texas Administrative Code (TAC).

Section §97.65 of the TAC states, “A written statement from a parent (or legal guardian or managing conservator), school nurse, or physician attesting to a child's/student’s positive history of varicella disease (chickenpox), or of varicella immunity, is acceptable in lieu of a vaccine record for that disease (see form at http://www.dshs.state.tx.us/immunize/docs/c-9.pdf).” School nurses may also write a statement to record cases of chickenpox that they see. The school will make and keep copies of any reports proving chickenpox illness or the results of any serologic tests given as proof of immunity. The original should be given back to the parent or guardian. If a parent or guardian cannot give the history of disease, or if serologic proof is not available, the varicella vaccine requirement must be met.

Proof of having had chickenpox disease can be proved by:

1. Serologic blood confirmation of varicella immunity.

2. A written report from a doctor, school nurse, or the parent or guardian of the child or student using words like:

This is to prove that___________________________ had chickenpox on or

Documentación del historial de enfermedad: Varicela

(Chickenpox)

Este formulario resume las “Excepciones al Requisito de Inmunización (Verificación de inmunidad/Historial de la enfermedad)” incorporadas en el Título 25, Servicios de Salud, Sección §97.65 del Código Administrativo de Texas (TAC).

La Sección §97.65 del TAC estipula: “Una declaración firmada de uno de los padres (o tutor legal, o padre con la custodia principal), o la enfermera de la escuela o un médico, la cual dé fe de que el niño o estudiante tiene un historial positivo de enfermedad de la varicela (chickenpox), o tiene inmunidad a la varicela, es aceptable en lugar de un registro de la vacuna contra esta enfermedad (vea el formulario en http://www.dshs.state.tx.us/immunize/docs/c-9.pdf).” Las enfermeras de la escuela también pueden hacer una declaración por escrito para registrar los casos de varicela que vean. La escuela hará y guardará copias de cualquier informe que demuestre que se ha tenido la enfermedad de la varicela o de los resultados de cualquier análisis serológico que se hayan entregado como prueba de inmunidad. El original debe regresarse al padre o tutor. Si el padre o tutor no pueden proporcionar el historial de enfermedad, o no cuentan con evidencia serológica disponible, el requisito de vacunación contra la varicela debe cumplirse.

Se puede probar que se ha tenido la enfermedad de la varicela mediante:

1. Confirmación serológica sanguínea de inmunidad a la varicela.
2. Un informe por escrito de un médico, enfermera de la escuela, o uno de los padres o tutor del niño o estudiante, que diga algo como lo siguiente:

Por este medio demuestro que ________________________________ tuvo varicela en esta ________________________________ (Nombre del estudiante)
