STATEMENT OF STUDENT RIGHTS & RESPONSIBILITIES

COLLEGE RIGHTS

TSTC West Texas reserves the right to make any change in the organization, fees, program offerings, curriculum, course requirements, etc., when such action is deemed to be in the best interest of the student and/or TSTC West Texas. You are held responsible for observing the rules and regulations in the student handbook and school catalog, two official publications of TSTC West Texas.

As members of the college community, students at TSTC West Texas are entitled to certain rights associated with attending an institution of higher education. Along with these rights there comes an expectation of certain responsibilities that students must embrace and subscribe to. These rights and responsibilities include those expressed below together with others written into College Operating Procedures, the Student Handbook, and the College Catalog.

GENERAL RIGHTS

- The right to freedom from discrimination on the basis of race, sex, age, religion, creed, national origin, disability or sexual orientation.
- The right to an educational environment free of sexual harassment. (Title IX)
- The right to confidentiality of official records, transcripts, disciplinary records and other educational records consistent with the Family Educational Rights & Privacy Act of 1974 (Buckley Amendment).
- The right to have access to reasonable and appropriate accommodations to ensure equal educational opportunity in compliance with the Americans with Disabilities Act (ADA).
- The right to petition the appropriate college unit or body for redress of grievances in accordance with college procedures.
- The right to expect a safe and secure learning environment (Clery Act).
- The right to be free from hazing, threats, stalking, violence and other harassing actions.
- The right to expect a quality education.
- The right to develop one's individual potential.
- The right to expect that presentation of material in a class will be in compliance with copyright law.
- The right to know the standards of academic performance established for each course in which they are enrolled.
- The right to review tests, assessments, and other written work after the instructor has evaluated them and are accorded protection through the Student Complaint and Grievance Procedure against prejudiced academic evaluation.
- The right to communicate with administrators, faculty and staff through appropriate processes.
- The right and opportunity to participate in the formulation of procedures directly affecting students through membership or appointment to appropriate committees as determined by the President of the College, the Student Government and other recognized groups within the college.

GENERAL RESPONSIBILITIES

- Students and faculty share the responsibility to protect and to preserve conditions that are conducive to the learning process, including with holding judgment on matters of opinion, ensuring a fair hearing for divergent viewpoints and observing rules of courtesy in the classroom.
- Students are responsible for seeking clarification of any standard in question at the beginning of the term, for preparing assignments in advance of each class session and for learning the content of any course of study for which they are enrolled.
- Students are responsible for being aware and understanding that the rules applying to academic dishonesty must be followed, including those related to plagiarism and cheating.
- Students are responsible for observing existing Copyright Compliance Laws and treating the intellectual property of others accordingly.
- Students are responsible for bringing academic grievances first to the attention of the instructor who performed the evaluation in an effort to resolve the issue. If the matter cannot be settled, it may be appealed in writing as outlined in the Student Complaint and Grievance Procedure.
- Students are responsible for maintaining current status and contact information with the college.
WebAdvisor allows access to your personal profile that is part of your official records at TSTC. TSTC students are provided a WebAdvisor account the business day after your application is processed. With your personal profile, you can review:

• Your academic profile
• Payment due dates
• Current & past grades
• Grade Point Average by term
• Financial profile
• Financial summary by term
• Financial aid status by year
• Update your mailing address and phone number
• Review your class schedule
• Review your degree plan
• Print registration statement
• Search for classes
• Submit work study and student worker hours
• Review communication to determine if documents need to be submitted

HOW TO LOGIN TO WEBADVISOR

To access these services, you must log in successfully to WebAdvisor.

2. Hover over the students tab and click on Webadvisor in the drop down menu.
3. Click the blue “Login” button in the top left corner.
4. Enter your username and password. (To change the default password, log in to self service password utility (SSPU) to set up your hint and challenge questions. Go to http://sspu.tstc.edu.)
5. Access the address change screen.
6. Verify and update your information (email address, phones numbers, and SMS text).
7. Choose your opt-in status.
8. Save your entries.

(Changes will be reflected within 7 days (updates occur every Sunday).

TSTC uses a system to provide critical notification services during emergencies. Should you receive an emergency notification, you will be told the nature of the emergency and will be prompted to follow simple message confirmation steps. The emergency notification could range from weather advisories which could cause a start delay or campus closure due to bad weather to a life threatening event such as an on-campus shooter or bomb threat.

Accounts with default contact information are automatically created in the Emergency Notification System (ENS) for all Employees and registered students. If you do not wish to receive notifications, you may opt-out from the Address Change screen in WebAdvisor. Students will be required to renew their opt-in/opt-out status once a semester. Employees will be required to renew once a year.

This system is only used for emergency situations, and the information provided is for immediate emergency awareness.

OPT-IN/OPT-OUT OPTIONS

In order for this system to be effective and for your information to be accurate, you must provide your current contact information. You may update your information as necessary by:

2. Login using your username and password.
3. Access the address change screen.
4. Verify and update your information (email address, phones numbers, and SMS text).
5. Choose your opt-in status.
6. Save your entries.

(Changes will be reflected within 7 days (updates occur every Sunday).

The requirements for admission to TSTC West Texas, registration procedures, instructions on adding, dropping courses and withdrawing from school are outlined in the school catalog. Students are responsible for reading and becoming familiar with these policies and procedures. It is the student’s responsibility to ensure that all requirements are met.

CREDIT BY EXAMINATION

Students who feel that they meet the objectives in technical courses offered at TSTC West Texas may receive credit by examination. The credit by examination form is available in the Admissions and Records Office. The student will submit the form to the Division Chair of the program for their signature. Students will be billed for the credit hour fee for the course(s) for the test they are taking. Students who do not pass the test must enroll in the course and pay the required fees. A student may take a credit by examination during the first five class days of the semester in which the student is enrolled in or is seeking credit for a prerequisite course. Students enrolled in or seeking credit by examination in block courses may have a shorter time frame; for the latest information see the Admissions and Records Office. Students will be notified of the test scores by the Instructor giving the exam or the Program Chair.

• Testing availability is at the discretion of the Division Chair/Program Chair/Instructor.
• Refunds are not given for the tests which are failed.
• Students may not take credit by examination for courses they have previously failed.
• Students must complete one semester of residency at the college before credit will be awarded.

Those who are receiving veterans’ benefits and/or sponsored or receiving financial aid should consult with the sponsors, the financial aid office or the veterans’ benefits coordinator on campus before taking the examination.

LIMITATIONS ON THE NUMBER OF DROPS

Under Section 51.907 of the Texas Education Code, “an institution of higher education may not permit a student to drop more than six courses, including any course a transfer student has dropped at another institution of higher education.” This statute was enacted by the State of Texas in Spring 2007 and applies to students who enroll in a public institution of higher education as first-time freshmen in Fall 2007 or later. Any course that a student drops is counted towards the six-course limit if:

• The student was able to drop the course without receiving a grade or incurring an academic penalty;
• The student’s transcript indicates or will indicate the student was enrolled in the course; and
• The student is not dropping the course in order to withdraw from the institution.”

Some exemptions for good cause could allow a student to drop a course without having it counted toward this limit, but it is the responsibility of the student to establish that good cause. Contact the Admissions and Records Office at (325) 235-7349 for more information before you drop a course.

A TSTC West Texas student affected by this statute that has attended or plans to attend another institution should become familiar with that institution’s policies.

REGISTRATION

Students must register for classes each semester of attendance in accordance to the registration schedule. Attending class or doing course work for a course for which they are not properly registered which includes paying fees, is prohibited and is grounds for dismissal from the college.

Students who are in good standing with TSTC West Texas should register for classes during the scheduled registration period.

Good standing is defined as follows:

• Clear of any indebtedness to the college
• GPA of 2.000 or greater from the previous semester
• No registration restrictions documented in college files

Students who are not in good standing must wait until the semester grades have been validated to register.
EMAIL AND MAILING ADDRESSES

TSTC MyMail, powered by Google, is the exclusive email service for TSTC students. Each student is provided an email address of WebAdvisorUsername@MyMail.tstc.edu. All official communication to students from the college will be sent to this new email address. The Office of Information Technology began creating MyMail accounts for all current students on Aug. 1, 2014. New student accounts started being populated daily on Aug. 2, 2014. This new official TSTC email address will be reflected in the college’s database as the student’s primary email address. Any previous information will be moved into the second address field.

Mailing addresses must also be kept updated in the Admissions and Records Office. To change of email and/or mailing address contact the Admissions and Records Office to complete the appropriate form or login to WebAdvisor to submit changes.

COPYRIGHT COMPLIANCE LAWS

Copyright compliance pertains to the use of print, CDs, DVDs, videos, graphics, logos and certain corporate signs and symbols. The Recording Industry Association of America (RIAA) works to “protect intellectual property rights worldwide.” Class action lawsuits have been instituted in Los Angeles, CA against students for illegal downloading of music which is also known as piracy. These class action lawsuits are ongoing and any violator can be assessed with the tracking of illegal copyright information located at http://www.tstc.edu/westtexas/student/copyright.

If you have additional questions regarding copyright issues and/or need additional information, please contact your copyright compliance officer or a library staff member for assistance.

FEDERAL lk JURISDICTION AND PRIVACY ACT OF 1974 (FERPA)

FERPA Annual Notice to Reflect Possible Federal and State Data Collection and Use as of January 3, 2012, the U.S. Department of Education’s FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records — including your Social Security Number, grades, or other private information — may be accessed without your consent.

First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities (“Federal and State Authorities”) may allow access to your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program that is “principally engaged in the provision of education,” such as early childhood education and job training, as well as any program that is administered by an education agency or institution.

Second, Federal and State Authorities may allow access to your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities.

In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

Under FERPA, the following is designated as directory information and may be made public unless the student desires to withhold all or any portion of it: Name, local address, classification of coursework level, enrollment status, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of college attendance, degrees, certificates and awards received and most recent previous educational agency or institution attended by the student. A currently enrolled student may prohibit the release of directory information by completing an appropriate request form in the Admissions/Records Office during registration or within the first five class days of each term.

Under the Privacy Act of 1974, official records are not open to the public and will not be divulged without the consent of the student. Minors attending the college have the same right regarding their records as adult students. If a student is still a legal dependent of a parent or guardian, the parent has the right to access the records of the dependent student provided the parent can establish this dependency as defined by the Internal Revenue Code of 1954, section 152. This request must be made in writing to the Admissions and Records Office.

TSTC West Texas complies with FERPA and informs students of their rights under the act. Students’ rights covered by the act are as follows:

1. The right to inspect and review the academic record.
2. The intent of TSTC West Texas is to limit the disclosure of information contained in a student’s academic record under the following circumstances:
   a. with the student’s prior written consent;
   b. as an item of directory information which the student has not refused the college to disclose; or
   c. under the FERPA provisions which allow a college to disclose information without the student’s prior written consent.
3. The right of a student to consent to release of semester credit hours taken at other institutions to the Texas Higher Education Coordinating Board.
4. The right of a student to petition TSTC West Texas to amend or correct any part of his/her academic record which is believed to be inaccurate, misleading, or in violation of the privacy or other rights of the student. When the college decides it will not amend a student's record, the student has the right to a hearing to present evidence that the record is inaccurate, misleading, or in violation of the privacy or other rights of the student.
5. The right of any person to file a complaint with the Family Education Rights and Privacy Act Office, Department of Education, Family Policy Compliance Office, 400 Maryland Avenue SW, Washington, D.C. 20202-4605, if TSTC West Texas violates FERPA.

If you have any questions concerning disclosure of information, contact the Registrar at (325) 336-8520.

BEHAVIORAL INTERVENTION TEAM PURPOSE

TSTC West Texas has policies regarding the well-being of students and employees. The policies address activities that are disruptive to the mission of the college, as well as any suicidal or self-injurious threats or behaviors. The following are a some examples of what to report:

• Distressed - Emotionally troubled, psychiatrically symptomatic, individuals impacted by situational stressors & traumatic events
• Disturbing - Behaviorally disruptive, unusual, and/or bizarrely acting, destructive, apparently harmful to others, and substance abusing
• Dysregulated - Suicidal or para-suicidal (self-injurious, eating disorders), individuals engaging in risk-taking behaviors, hostile, aggressive, relationally abusive, and individuals deficient in skills that regulate emotion, self, cognition, behavior, and relationships

Visit http://www.tstc.edu/westtexasstudents/bit to report an incident or for more information.
ADMISSION ADVISORS

Everyone interested in enrolling at TSTC West Texas is assigned an Admissions Advisor who helps with items such as the application, financial aid, testing, scholarships and any other documents needed. Your Admissions Advisor is your point of contact throughout your time at TSTC West Texas. They work closely with faculty and staff to help you be successful.

ACADEMIC ADVISING

TSTC West Texas faculty advisors from the student’s major field of study advise each student that is enrolled in an instructional department. The Division Chair is responsible for ensuring that:

- Each student is assigned to a faculty advisor
- Each student is made aware of this assignment
- Students receive appropriate assistance and advice from major program chair.
- One documented advisement per student per term is required. See COP 360.
CODE OF DISCIPLINARY AND JUDICIAL PROCEDURES

PREAMBLE

TSTC West Texas recognizes that enrolled students have certain rights which may be exercised by the student(s) within the limitations of established TSTC West Texas rules and regulations and federal, state and local laws. TSTC West Texas, therefore, publishes this Code of Disciplinary and Judicial Procedures to inform and guide both students and personnel.

Each student has the right to individual freedom and personal privacy and action except as previously specified. These rights will be observed by all students and employees. Every student has the right to petition for changes in TSTC West Texas policy, practice or procedure and to offer constructive criticism. This right, however, does not allow rebellious protest against persons in authority or a disruption of normal College life.

Each student has the right of freedom from harassment of any nature, the right to peaceful assembly, the right to association and to political action except as previously specified.

Each student has the right of freedom from harassment of any nature, the right to peaceful assembly, the right to association and to political action except as previously specified.

TSTC West Texas reserves to itself all the rights, privileges and authority assigned to it and/or its duly authorized administrative officials by the Texas Legislature and/or the Board of Regents. The chief administrative officer is the Campus President. He/she may actively exercise his/her authority in disciplinary matters or he/she may appoint/designate another employee to act on his/her behalf. All policies, rules, regulations, fees, curricula, etc., are subject to change, either as a result of legislative action, action by the Board of Regents, the system Leadership Alliance or any other appropriate body or department. TSTC West Texas retains jurisdiction for disciplinary purposes over a person who was a student at the time he/she allegedly violated an institutional policy, regulation or law, even though that person is no longer an enrolled student at TSTC West Texas. The Vice President of Student Development or designee is the administrative officer charged with supervision of student discipline. He/she may actively participate in all phases of disciplinary action or he/she may assign/designate a counselor or other TSTC West Texas employee to act in his/her behalf. All actions taken by said designee are subject to review by the Associate Vice President of Student Development. Instructors may recommend to the Associate Vice President of Student Development or to a counselor that a student be placed on disciplinary probation for inappropriate/disruptive conduct or behavior in a classroom or laboratory. Such recommendations will be handled according to stated judicial procedure.

CODE OF DISCIPLINARY AND JUDICIAL PROCEDURES

SEARCH AND SEIZURE PRIVACY

Realizing the need for privacy, the College shall make every effort to guarantee such privacy to the occupants of the residence halls. It is hoped that entry into residence hall rooms, except for routine inspection and maintenance, will not be necessary. This guarantee of privacy depends on the cooperation and willingness of each occupant to respect the rights of others and the rights of the College.

Excerpt by invitation, students’ rooms may be entered by a staff member only for the purpose of routine inspection, when it is reasonably believed that a violation of College regulations or local, state or federal laws is occurring or when it is feared there is an imminent danger to life, safety, health or property.

ROUTINE INSPECTIONS

- At no time during these inspections is the staff member allowed to open desks or bureaus or to examine the personal effects of the residents of the room, except for the refrigerator for health and hygiene reasons.
- Items of contraband in full view may be impounded during routine inspections by Housing Supervisor/ Campus Police, who will then notify students assigned to the room.
- The Housing Supervisor will deliver all confiscated/impounded items to Campus Police with the exception of household appliances and pets, immediately upon completing the inspection. The Campus Police Department will then send a written report of the findings to the Vice President of Student Development or designee.
- The Housing Supervisor will deliver all confiscated/ impounded items to Campus Police with the exception of household appliances and pets, immediately upon completing the inspection. The Campus Police Department will then send a written report of the findings to the Vice President of Student Development or designee.
- The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

ALL OTHER INSPECTIONS

- If anyone has reason to believe that College regulations or local, state or federal laws are being violated, or that there is an imminent danger to life, safety, health or property, he/she will immediately inform the appropriate staff member of all relevant facts and circumstances. A licensed, canine detection service is used to check residential housing, automobiles and other areas.
- If the Housing Supervisor, Resident Assistant or other administrative official has reason to believe there is probable cause for concern, an authorized college staff person will enter the room and conduct a search of the premises immediately with the assistance of another college staff member. During this search, the staff members are authorized to open desks, bureaus and closets and to examine the personal effects of residents of the room. Appropriate steps will be taken to alleviate any emergency situation. Any contraband found will be impounded. When possible, the resident(s) will be notified and present.
- College staff members will deliver all confiscated/impounded items to Campus Police immediately upon completing the search. The Campus Police will then send a written report of the findings to the Vice President of Student Development or designee, as well as, the Housing Supervisor.

*Contraband is defined as any property that is unauthorized and/or illegal under the rules and regulations of the resident hall, TSTC West Texas regulations, ordinances of the City of Sweetwater, the laws of the State of Texas, or the laws of the United States.

U.S. CONSTITUTION FOURTH AMENDMENT: SEARCH AND SEIZURE

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized. All students are expected to familiarize themselves with all TSTC West Texas rules and regulations and to abide by these rules and regulations to ensure that available educational opportunities are fully utilized. Students are also expected to comply with all federal, state, and local laws, not only while on campus, but in their conduct off campus. The student is responsible for obtaining published materials which update items in this Code. If the student is unsure of proper procedure or has any questions concerning the rules and regulations or the correct application of this Code, he/she should contact the Associate Vice President of Student Development or a counselor.

All Campus Operating Procedures (COP) are posted at https://cfapps.tstc.edu/COP/

AUTHORITY

TSTC West Texas reserves to itself all the rights, privileges and authority assigned to it and/or it’s duly authorized administrative officials by the Texas Legislature and/or the Board of Regents. The chief administrative officer is the Campus President. He/she may actively exercise his/her authority in disciplinary matters or he/she may appoint/designate another employee to act on his/her behalf. All policies, rules, regulations, fees, curricula, etc., are subject to change, either as a result of legislative action, action by the Board of Regents, the system Leadership Alliance or any other appropriate body or department. TSTC West Texas retains jurisdiction for disciplinary purposes over a person who was a student at the time he/she allegedly violated an institutional policy, regulation or law, even though that person is no longer an enrolled student at TSTC West Texas. The Vice President of Student Development or designee is the administrative officer charged with supervision of student discipline. He/she may actively participate in all phases of disciplinary action or he/she may assign/designate a counselor or other TSTC West Texas employee to act in his/her behalf. All actions taken by said designee are subject to review by the Associate Vice President of Student Development. Instructors may recommend to the Associate Vice President of Student Development or to a counselor that a student be placed on disciplinary probation for inappropriate/disruptive conduct or behavior in a classroom or laboratory. Such recommendations will be handled according to stated judicial procedure.

STUDENT BEHAVIOR POLICIES

Each student is expected to act in a manner consistent with the college’s function as an educational institution. Specific examples of misconduct or inappropriate behavior for which students may be subject to disciplinary action include, but are not limited to, the following:

- Commission of any criminal offense under federal, state or municipal law.
- Failure to comply with the directive(s) of a college official acting in the performance of his/her duties.
- Giving false testimony or other evidence at any campus disciplinary proceeding.
- Failure to meet financial obligations of the college.

• Conducting oneself in a manner that significantly endangers the health or safety of other persons, including members of the school community or visitors to the campus.
• Stealing, destroying, defacing, damaging, or misusing school property or property belonging to another person. This is to include, but is not limited to, books, the internet, materials and/or equipment from the Learning Resource Center (Library).
• Accessing, possessing, posting or sharing any racist, sexist, threatening, obscene, pornographic or otherwise objectionable material (i.e., visual, textual, or auditory entity) from any electronic source (i.e., internet, CD, DVD, etc.).
• Intentionally using the internet facilities to disable, impair, or overload performance of any computer system or network, or to circumvent any system intended to protect the privacy or security of another user (hacking).
• Possession of or making use of college keys for unauthorized purposes.
• Engaging in hazing activity or voluntarily submitting to hazing activity.
• Gambling, in any form, on college property.
• Possessing, consuming, distributing or being under the influence of intoxicating beverages on college property, including a collegiate or intramural athletic facility and/or any off-campus area which serves as a site for a college function.
• Possessing, consuming, distributing an intoxicating beverage or being intoxicated at any college sponsored function or activity, whether on campus or off campus, whether the age of majority (21 years of age) or a minor (under 21 years of age).• Purchasing, supplying, and instigating the use or consumption of any intoxicating beverage by a student who is below the legal drinking age (21 years of age).
• Possession, use, sale or distribution of any quantity, whether usable or not, of any illegal drug, narcotic or controlled substance; or drug paraphernalia or being under the influence of said drug, narcotic or controlled substance.
• Advocating or recommending, either orally or in writing, the conscious or deliberate violation of any federal, state or local law. Advocacy means addressing an individual or group proposing imminent action and urging such action.
• Forging, alteration or misuse of school documents, forms, records or identification cards.
• Participation in an initiation to any organization and/or club which includes any dangerous, harmful, embarrassing or degrading act to any student. Violation of this prohibition renders both the student(s) involved and the organization/club subject to disciplinary action.
• Violation of any rule or regulation governing residential living in campus and/or auxiliary campus housing facilities or any breach of a residential living contract.
• Unauthorized possession, ignition or detonation of any explosive device, fireworks, liquid or an object which is flammable or which could cause injury or damage by fire or explosion to persons or property on college property.
• Unauthorized entry, by any means, into or use of any college building, facility, vehicle, equipment or resource.
• Failure to heed an official summons to the office of an administrative officer within the designated time. This is to include, but is not limited to, summons or notification to appear in a counselor’s office.
• Failure to maintain a current official mailing address in the Admissions and Records office or giving a false or fictitious address to said office.
• Failure to provide a current local residence address, if different from the official mailing address, to the Admissions and Records office.

• Knowingly furnishing false information to a college official in the performance of his/her duties.
• False alarm or report where the person knowingly initiates, communicates or circulates a report of a present past or future bomb, fire, offense or other emergency that is false or baseless and that would cause action of an official or volunteer agency organized to deal with such emergencies to place a person in fear of imminent serious bodily injury or prevent or interrupt the occupation of a building, room, aircraft, automobile or other mode of conveyance.
• Failure to evacuate a campus building during a fire drill, at the sound of a fire alarm, and during a tornado warning evacuation.
• Issuance of a check without sufficient funds to cover the amount of the check.
• Vulgar, abusive language and/or offensive or obscene behavior directed toward another student, guest or employee of TSTC West Texas.
• Psychological or physical abuse intended to insult, intimidate, harass or injure any person on campus or at an off-campus college sponsored event.
• Harassment in which an individual intentionally threatens or intimidates, in person, by telephone or in writing, to take unlawful action against any person and by this action intentionally, knowingly or recklessly annoys or alarms the recipient or intends to annoy or alarm the recipient. This includes stalking of a student or employee.
• Unexplained absence from class or work.

TSTC West Texas expects every student to engage in all scholastic pursuits in a manner that is beyond reproach. Students are required to maintain complete honesty and integrity in the classroom and/or laboratory. Any student found guilty of dishonesty in scholastic work is subject to disciplinary action. Scholastic dishonesty includes, but is not limited to, cheating on scholastic work, plagiarism and collusion. Cheating on scholastic work includes:
1. Copying from another student’s test paper or other scholastic work.
2. Using, during a test, materials or equipment not authorized by the person administering the test.
3. Collaborating, without authority, with another student during an examination or in the preparation of scholastic work.
4. Knowingly using, buying, selling, stealing, transporting or soliciting, in whole or in part, the contents of an unadministered test.
5. Soliciting, bribing or coercing an instructor or student grader to alter the score or grade achieved on a test or other scholastic work.
6. Substituting for another student, or permitting another student to substitute for one-self, to take a test or prepare other academic work or laboratory assign-

CAMPUS DISRUPTIVE ACTIVITIES

Vernon’s Texas Codes Annotated (VTCA) Education Code Sec. 51.935 - Disruptive Activities

A person commits an offense if the person, alone or in concert with others, intentionally engages in disruptive activity on the campus or property of an institution of higher education.

For purposes of this section, disruptive activity is activity described by Section 37.123(b).

- Obstructing or restraining the passage of persons in an exit, entrance or hallway of a building without the authorization of the administration of the school;
- Seizing control of a building or portion of a building to interfere with an administrative, educational, research or other authorized activity;
- Preventing or attempting to prevent by force or violence, or threat of force or violence, a lawful assembly authorized by the school administration so that a person attempting to participate in the assembly is unable to participate due to the use of force or violence or due to a reasonable fear that force or violence is likely to occur;
- Disrupting by force or violence or the threat of force or violence a lawful assembly in progress;
- Obstructing or restraining the passage of a person at an exit or entrance to the campus or property or preventing or attempting to prevent by force or violence or by threats of force or violence the ingress or egress of a person to or from the property or campus without the authorization of the administration of the school.

An offense under this section is a Class B misdemeanor.

For purposes of this section, disruptive activity is defined as an activity described by Section 37.123(b).

- Soliciting, bribing or coercing another person to obtain an unadministered test/examination or information about an unadministered test/examination.
- Procedures for discipline due to scholastic dishonesty shall be the same as in disciplinary actions specified in Procedure for Administration of Discipline (page 17), except that all scholastic dishonesty actions shall be first considered and reviewed by the faculty member in whose class/laboratory the infraction occurred. If the student does not accept the decision of the faculty member, he/she may appeal to the Program Chairperson and then to the Vice President of Student Learning or designee. The student may then follow the normal disciplinary procedures specified in Procedure for Administration of Discipline. If the student denies the charges against him/her and pursues the disciplinary process, he/she shall not be suspended from class or from the college until he/she has received substantive and procedural due process under Administrative Hearing Procedures (page 17) unless determined otherwise by the Vice President of Student Development or designee.

SUSPENDED STUDENT RESTRICTION

No student who has been suspended for disciplinary reasons from the College shall be permitted on the campus of the college during the period of such suspension without the prior written approval of the Vice President of Student Development or the designated administrator of the college.

PROCEDURE FOR ADMINISTRATION OF DISCIPLINE

A student at TSTC West Texas neither loses the rights nor escapes the responsibilities of citizenship. The student is expected to obey all federal, state and local laws in addition to college policies and regulations.

This Code applies to individual students and states the function of the student, faculty and administration of the college in disciplinary proceedings. The college has jurisdiction for disciplinary purposes over a person who is or was a student at the time he/she allegedly violated an institutional policy or regulation. This Code contains procedures for dealing with alleged student violations of institutional standards of conduct in a manner consistent with the rights of the student and the college. Specifics are detailed in College Operating Procedure (COP) 700: Student Disciplinary Appeal Board.

IX. INVESTIGATIVE PROCEDURES

When the Vice President of Student Development or designee receives written documentation that a student has allegedly violated a college policy or regulation, the Vice President of Student Development or designee shall investigate the alleged violation. The investigation may result in one of the following actions:

- Dismissal of the allegation as unfounded, either before or after discussing with the person(s) involved;
- Proceeding administratively in preparing a charge based on the allegation for use in a disciplinary hearing along with a list of witnesses and documentary/physical evidence supporting the allegation.

The Vice President of Student Development or designee may take immediate interim action and suspend the right of the student to be present on campus and to attend classes. The Vice President of Student Development or designee may also otherwise alter the status of the student for violation of college policy or regulation when the opinion that the interest of the college would be best served by such action and/or the student poses a threat to self and/or others.

During the investigation of an allegation, no person shall search a student’s personal possessions for the purpose of obtaining information or enforcing college policies or regulations unless the student’s prior permission has been obtained. This permission must be either written or, if verbal, witnessed by at least one person other than the investigating official. Searches by law enforcement officers of personal possessions shall be only as authorized by law.

ADMINISTRATIVE HEARING PROCEDURES

When information is established that a violation has occurred, the following procedures shall be initiated by the Vice President of Student Development or designee:

- If contact cannot be made, summon the student in writing (registered U.S. mail or receipted hand delivered) to appear at a specified time and place, not less than three class or examination days after the date the letter has been received by the student. A form shall be signed by the student upon hand receipt of said letter.
- Inform the student verbally or in writing of the allegation(s) put forth.
- Afford the student the opportunity to refute the allegation(s), to agree/disagree that the allegation(s) is true and to present information in support of the student’s position.
- Make a decision regarding the allegation(s) if the student does not respond in person to the summons.
- Present, in writing, a decision to the student regarding the allegation(s), which represents the official position of the College. A copy of this letter is to be directed to the student’s main program instructor.
• Inform the student of the right to appeal the decision and the procedure to be followed in the appeal process.
• If the student accepts the decision of the Vice President of Student Development or designee, sign a statement within three class or examination days of receipt of the decision letter, verifying that the student understands the nature of the allegation(s) and the penalty imposed and waives the right to appeal. This shall be included in the decision letter.

PROCEDURAL DUE PROCESS

The Chair of the hearing body shall advise the student in writing when giving notice of the hearing date of the following procedural due process rights:

• To have a hearing which shall be private unless requested in writing by the student and agreed to by the Chair to be open. Prior notice to this effect shall be given in writing to the Board Chair by the student five class or examination days in advance of the hearing;
• To have one representative from the college community present during the hearing to advise and be a resource and sounding board for the student concerning due process procedures, pertinent issues and appropriate communication. The representative has the option to speak on behalf of the student only when recognized or asked to do so by the Chair and/or the student. Excluded as representatives are attorneys at law, except in an appeal of a suspension or dismissal from the College. In such an instance, the College is also entitled to representation by an attorney at law;
• To challenge the presence of a member of the hearing body whom the student feels might be prejudiced against the student. The Chair shall determine the validity of any challenge. If upheld, then the Chair shall declare the member disqualified. Any member of the hearing body must withdraw from the hearing if the member has personal knowledge or evidence relevant to the hearing;
• To be assured of the absence of conflict of interest, in that no member of the Board shall independently advise, assist or counsel any student or advisor in the preparation of an appeal;
• To know the identity of each witness who will testify for the college;
• To produce as well as to require the Administration to produce documentary and physical evidence possessed by the College. This information and request must be submitted to the Board Chair three class days prior to the hearing date;
• To present witnesses and question these witnesses; the names of these witnesses must be submitted to the Board Chair three class or examination days prior to the hearing date;
• To cross examine each witness who testifies for the college;
• To appeal the decision of the hearing body to the Campus President.

The college has the following rights:

• To withhold any refunds due a student while in the appeal process;
• To defer registration for the next semester until the appeal process is exhausted;
• To produce documentary and physical evidence relevant to the allegation(s). This information must be submitted to the Board Chair three class or examination days prior to the hearing date;
• To summon witnesses and question these witnesses on its behalf. This list of witnesses must be submitted to the Board Chair three class or examination days prior to the hearing date;
• To challenge the presence of a member of the hearing body whom the college feels might be prejudiced against the case or if a student member has been in disciplinary proceedings regardless of when the offense happened. The Vice President of Student Development shall determine the validity of any challenge. If upheld, then the Vice President of Student Development shall declare the member disqualified;
• To cross examine each witness who testifies on behalf of the student;

STUDENT DISCIPLINARY APPEAL BOARD HEARING BODY PROCEDURES

The Chair of the Board shall set the date, time and place for the informal hearing. There shall be a minimum of five and a maximum of ten class or examination days allowed for the preparation for the hearing unless the Chair of the Board decides upon a continuance.

The Vice President of Student Development or designee shall represent the college before the hearing body and present evidence to support an allegation of a violation of a college policy or regulation.

• The Chair of the Board shall send notice (See Administrative Hearing Procedures) of the hearing to the student which shall state the alleged violation(s), direct the student to appear before the hearing body on the date, time and place specified, detail the student’s procedural due process rights and inform the student that the hearing will be dismissed and the right of appeal will be forfeited as determined by the Chair if the student does not appear. In the latter instance, this failure to respond to an official college directive shall
be referred to the Vice President of Student Development or designee for disposition.

• The hearing shall be private unless requested in writing by the student and agreed to by the Chair to be open. Prior notice to this effect shall be given in writing to the Board Chair by the student five (5) class or examination days in advance of the hearing.

Evidence:

• All evidence pertinent to the case shall be presented to the hearing body during the hearing and shall be made a part of the hearing record.

• Legal rules of evidence shall not apply to hearings before the hearing body. The hearing body may admit and give probative effect to evidence that possesses probative value and is commonly accepted by reasonable persons in the conduct of their affairs.

• The hearing body shall exclude irrelevant, immaterial and unduly repetitious evidence.

• The hearing body shall presume a student innocent of the alleged violation until the hearing body determines through a preponderance of the evidence that the student violated a college policy or regulation.

• Any individual or group which misrepresents, either verbally or in writing, the nature of the events, or which falsifies the given testimony in any way, or which violates an order of the hearing body shall be found in contempt of the Board. This finding shall be referred to the Vice President of Student Development or designee, who, in consultation with the Board, will determine a course of action.

The hearing body shall proceed as follows:

• The Chair of the hearing body or designee shall inform the student of rights as stated in the notice of the hearing.

• The Chair shall read the allegation(s) and the administrative decision.

• The Chair shall read the student’s appeal statement.

• The Vice President of Student Development or designee shall present the college’s case.

• The student shall cross examine any college witnesses.

• The student shall present a defense.

• The Vice President of Student Development or designee shall cross examine any witnesses of the student.

• The Vice President of Student Development or designee and the student may present rebuttal evidence and arguments.

• The Vice President of Student Development or designee and student shall present closing summary remarks.

• The hearing body shall then retire to deliberate in private. The hearing body will determine by majority vote whether or not there has been a violation of college policy or regulation.

• If the hearing body finds that there has been a violation committed, the hearing body will then determine if the penalty given was appropriate.

• The hearing body shall state in writing each finding of a violation of college policy or regulation and the penalty determined. Each hearing body member concurring in the finding and penalty shall sign a statement to this effect.

The hearing body may:

• Affirm the action.

• Reduce or modify the penalty.

• Dismiss the charge(s) if determination is made that action was taken on grounds not supported by a preponderance of evidence and/or the student was not afforded proper due process.

• Remand the case to the Vice President of Student Development or designee for further consideration.

• If the appeal is denied, failure of the student to abide by the terms and conditions which have been upheld subjects the student to further disciplinary action up to and including suspension or expulsion from the college.

The appropriate Vice President of Student Development, his/her designee, the Student Disciplinary Appeal Board and/or the Campus President must select one of the following or an appropriate penalty:

• Oral or written warning.

• Requiring the student to complete a special project which may be, but is not limited to, writing an essay on a specified topic, attending a special class or lecture and/or attending counseling sessions. The special project may be imposed for a definite period of time only.

• Cancellation of campus or auxiliary campus housing contract.

• Disciplinary probation imposed for a definite period of time which stipulates that future violations may result in disciplinary suspension.

• Ineligibility for election as a Student Government Association officer or representative for a specified period of time.

• Removal from a Student Government Association or other club/organization office for a specified period of time.

• Prohibition against representing the College in any special honorary role or position.

• Withholding an official transcript or degree.

• Being barred from readmission to TSTC West Texas (all locations) for a specified period of time.

• Requiring restitution, whether monetary or by specific duties or reimbursement, for damage to or misappropriation of College, student or employee property and/or funds.

• Denial or non-recognition of a degree.

• Suspension of rights and privileges, including but not limited to, participation in athletic, co-curricular, extracurricular and/or other student activities for a specified period of time.

• Withdrawal from a course with a grade of W.

• Failing or reduction of a grade on a test, in a course or other scholastic work and/or performing additional scholastic work not required of other students in the course.

• Suspension from the College for a specified period of time, ranging from one (1) full semester to one (1) full year. During suspension, a student shall not attend classes or participate in any activities of the College. Repeated infractions which result in suspension may incur the penalty of being expelled from the college.

• Expulsion (permanent separation) from the college.

DISCIPLINARY RECORDS

All records pertaining to disciplinary cases shall be retained in the office of the Vice President of Student Development or designee for one (1) year after the student terminates enrollment by completion or withdrawal from the College. If the decision involves suspension from the college, the records shall be maintained for three (3) years; if expulsion from the College, for five (5) years. Records are to be maintained on paper as confidential information.

The Vice President of Student Development or designee shall notify Admissions and Records, Telecommunications and Network Services, Financial Services, Student Accounting and appropriate Administration in writing when a student is expelled or suspended from the college. In instances of suspension, these staff members will be notified as to the semester the suspended student is eligible to register for classes.

APPEAL PROCEDURES OF THE HEARING BODY DECISION

The Campus President may overrule any decision made by the hearing body regardless of whether an appeal is initiated by the student or not.

Only cases heard by the hearing body involving violations of the Code of Disciplinary and Judicial Procedures may be appealed to the Campus President. Appeals to the President must be made in writing within three (3) class or examination days of notification to the student of hearing body’s action. The decision of the President is final.

Repeated infractions which result in suspension may incur the penalty of being expelled from the college.

• Expulsion (permanent separation) from the college.
CHECK CASHING

The TSTC West Texas Student Accounting Office provides students, faculty, and staff with personal check cashing services within certain limitations. Students may cash personal checks up to $100.00 per day and checks made payable to the student by parents or guardians up to $150.00 per week. A valid TSTC West Texas identification card and a valid driver’s license must be presented before a check can be cashed. In the event that a personal check does not clear the bank, the cashier will notify the student and a $25.00 handling fee is assessed. All fees are then payable by cash, money order or cashier’s check. In addition, the student loses his/her check cashing privileges for a period of 90 days for the first offense. A person will permanently lose check cashing services for a second offense.

FINANCIAL AID

TSTC West Texas has a comprehensive program of grants, scholarships, work study and various loans to assist qualified students with the cost of their education. Please be aware that purchasing a car and various other expenses is not a qualified educational expense for using financial aid funds. For additional information concerning financial aid, please refer to the TSTC West Texas website at www.tstc.edu/westtexas. Additional information may be obtained from the U.S. Department of Education website at www.ed.gov.

All students, new and returning, must apply for financial aid for each academic year in which they will be attending. Academic years usually begin in September and end in August of the following year. When aid has been awarded for an academic year, it continues through each term of that academic year. Students should begin the application process by completing a new FAFSA and preparing documentation that may be required for the following fall term as soon as all tax returns have been filed by the student and/or parent. Priority processing for the Fall term is determined and published by the Financial Aid office each Academic year. This date will also be posted to the TSTC West Texas web site calendar. Your financial aid file should be complete by this date to receive priority processing.

FINANCIAL AID STANDARDS OF ACADEMIC PROGRESS

The following standards of academic progress are adopted for the purpose of determining continuing student eligibility for financial aid. These provisions apply to those students who are receiving financial aid or those who may be applying for financial aid in the future. Progress will be reviewed at the end of each term to determine that the student is making satisfactory progress. This review will include all periods of enrollment. Students are expected to be continually aware of their grades and course completion. A student who is placed on warning or suspension may be notified through their student email account by the financial aid office; however, failure to receive notification will not change the student’s financial aid status. Financial aid warning is a warning period. Financial aid suspension means that you will lose eligibility for all financial aid awards, including work study, if applicable.

FINANCIAL AID STANDARDS OF ACADEMIC PROGRESS (SAP)

Students who receive financial aid must be enrolled in an eligible program and are required to maintain the following standards of satisfactory academic progress (SAP). These measurements shall be used to determine eligibility for all federal Title IV aid, state and institutional aid, and for other financial assistance unless the terms of a particular grant or funding source require additional terms. SAP is calculated at the end of each term. Some aid programs require higher standards, such as higher grade point averages (GPA) or specific enrollment statuses. Students receiving financial aid must have a declared degree or certificate eligible program. Students will only be allowed to make one program change and still remain eligible for financial aid. Students are expected to be continually aware of their grades and course completion.
of their progress toward their completion. A student that fails to meet the standard of progress (SAP) may be noticed by email at the email address on the student record; however, failure to receive notification will not change the SAP status.

QUALITATIVE PROGRESS MEASUREMENT: MINIMUM CUMULATIVE GPA
To continue receiving financial aid, you are expected to successfully complete all of your classes with passing grades. You must have at least a 2.00 cumulative GPA (based on all terms of enrollment) and at least a 2.00 term GPA during each period of enrollment.

QUANTITATIVE PROGRESS MEASUREMENT: NUMBER OF CREDIT HOURS REQUIRED TO COMPLETE
When you enroll in classes and receive financial aid to pay for those classes, you are expected to successfully complete those classes. You must complete at least 67% of the credit hours that you started or enrolled for during each term. This requirement is also reviewed for cumulative completion of 67% of all courses attempted during your enrollment. Only passing grades count as successful completions. Incomplete, in progress, failing grades, and drop/withdrawals are attempted courses, and will be calculated in the 67% completion requirement.

To ensure that you complete your program in a reasonable amount of time, a limit set by law has been placed on the number of hours that you can attempt. That limit is 150% of the minimum number of hours required to complete your program. For example, if your degree program requires 72 credit hours for completion, you must complete your degree or certificate program within a maximum of 108 attempted credit hours. Once you reach the 150 percent limit or we determine that you cannot complete your program within the 150% limit, you will no longer be able to receive financial aid. Several variables are considered when calculating the 150% limit and the satisfactory progression rules. These variables include, but are not limited to:

- All attempted credit hours are counted even if you were not receiving aid to pay for them.
- Any transfer hours that are accepted from other colleges and applied toward the completion of your program are counted in the maximum time frame. If you have previously attended any college, you must submit official transcripts from all previous colleges prior to any financial aid being released.
- If you repeat a course, both attempts will be counted in the maximum credit hours and progression calculation, even if you did not receive aid for both attempts. Financial aid will only pay for 2 attempts in a course.

- More than one academic program change, or two programs
- Courses taken without having a declared eligible program (enrolled as undeclared or undecided)

FAILURE TO MEET THE FINANCIAL AID STANDARDS OF ACADEMIC PROGRESS
The first time that a student fails to maintain the minimum standards of satisfactory academic progress requirements, he or she will be placed on financial aid warning for the next term of enrollment. During the warning period, the student will be able to receive financial aid. A student that fails to meet the terms of the standards of academic progress during the warning period will be placed on financial aid suspension and will lose eligibility for all financial aid until all SAP measurements have been met. Failing to meet any one of the SAP measurements will place a student on warning or suspension. The financial aid office retains the option of placing a student on continuous warning based on a review of individual progress.

After financial aid suspension, you must request reinstatement of eligibility in writing to the Financial Aid Office (FAO). If the Financial Aid Office mathematically determines that you cannot complete your program of study within the 150% limit, you will immediately be placed on financial aid suspension. Once the 150% limit has been met, you cannot regain satisfactory progress or financial aid eligibility. The student is responsible for paying all expenses during any enrollment period while on suspension.

APPEAL PROCESS
If you are placed on financial aid suspension, you may petition the FAO, in writing, to consider mitigating circumstances that resulted in your inability to meet the SAP requirements. The appeal must include supporting documentation regarding your special circumstance, such as medical statements or death certificates. Special circumstance considerations will be limited to extreme

### ADDITIONAL SAP RULES: REMEDIAL/DEVELOPMENTAL COURSEWORK
You may be able to take up to 30 hours of remedial or developmental coursework and receive financial aid to pay for those costs. These courses will be included in the qualitative and quantitative measurements for SAP. All courses, including failures, incompletes, in progress, or drop/withdrawal are counted toward the maximum 30 credit hour limit. Once you have attempted 30 credit hours of remedial or developmental classes, you will no longer be able to receive additional financial aid to pay for those courses. Enrollment in these courses is indicated by testing or as recommended by counseling. Financial aid will NOT pay for:
- Courses taken by audit
- Courses taken outside of your degree plan requirements
- Courses failed and repeated more than two times (except remedial)
- Courses previously passed with a grade of "D" or higher
- Credit hours earned by placement tests
- Continuing education courses
- Courses for which you register after the official census date of the term.

FINANCE

**FINANCE AWARD LETTERS**

Financial aid awards shown on Award Letters assume that the student will be enrolled and attend twelve or more credit hours. Awards may be prorated or eliminated for less than full-time enrollment. Financial aid funds are to be used for educational expenses. For instance, buying a car with financial aid funds is not an allowable expense. Students who want loans must return the Loan Acknowledgement Form and return it to the financial aid office at the campus you are attending. Students must also complete Loan Entrance Counseling and a Master Promissory Note (MPN) online before any loan funds will be released. Login in to: https://studentloans.gov to complete these steps. Instructions for completing these requirements is included with the Award Letter. Loan proceeds for first time borrowers will not be available until at least 30 days after the first day of class. Disbursement dates may be changed without prior notice due to changing requirements or conditions.

**RETURNING FEDERAL AID FUNDS WHEN DISCONTINUING ENROLLMENT OR PARTICIPATION**

A student earns financial aid based solely on the length of time he or she has attended the college. Until a student has completed more than 60% of the enrollment period, only a portion of the aid has been earned. The amount of earned aid has no relationship to institutional charges or other incurred costs of attendance. A student who withdraws before that time may (but not necessarily) be required to repay funds to a specific financial aid program. A payment owed, but not paid by the student, will result in suspension of future federal aid eligibility until the debt has been paid. Special refund requirements apply to students who received federal aid that is classified as “Title IV funds.” Title IV funds include awards such as Pell Grants, Supplemental Educational Opportunity Grants (SEOG), Federal Direct Student Loans, Parent Loans (PLUS), and other federal awards.

Students must attend classes to remain eligible for financial aid. Students that withdraw from all classes before completing at least 60% of the current term will generally be required to return or repay a portion of their federal student aid. Additionally, a student that ceases participation (stops attending) all classes and receives a grade of “F” in all classes will also be subject to the same refund policy and calculation as those that withdrew.

For additional information concerning financial aid, please refer to the TSTC West Texas website at www.west-texas.tstc.edu. Additional information may be obtained from the U.S. Department of Education website at www.ed.gov. Students may apply for aid electronically at www.fafsa.ed.gov.

Exceptions to any financial aid policy (not regulations), may be reviewed by a committee appointed and presided over by the Financial Aid Director or appointee.

TSTC West Texas reserves the right to withhold refunds when a student has been suspended or expelled from the college for disciplinary reasons. Such students forfeit all rights to student services privileges.

**WARNING: REPAYMENT OF FEDERAL FUNDS**

If you receive federal financial aid and stop attending or withdraw from all courses at or before 60% of the term is completed, you will be required to repay all or a portion of the federal aid you received, including that used to pay for your college expenses. If you received a grade of F in all courses for any term, you will be required to repay a portion of the federal aid received, based on last date of participation, unless an instructor certifies and documents participation, unless an instructor certifies and documents participation.

Students receiving financial aid are allowed only one major or program change while attending TSTC West Texas. Additional program changes are not eligible for financial aid. Program changes must be submitted in writing to the financial aid office. The appropriate form may be picked up in the financial aid office or www.westtexas.tstc.edu and must be completed and signed by the student and a TSTC Counselor. Program Chairpersons may be asked to make a recommendation.

Students may change their major during the first three to five (3-5) class days of the semester or at the time they register for the next semester, depending on the program of study the student is wanting to change to. Approval must be obtained from both program chairs and the counselor. Forms for changing majors are available in the Admissions and Records Office.

ALCOHOL AND DRUG FREE CAMPUS

It is the practice of TSTC West Texas that drug-free campus and workplace conditions is maintained. No students on campus and no employees at any work station shall unlawfully manufacture, distribute, dispense, possess or use on or at the campus or workplace any narcotic drug, alcohol, hallucinogenic drug, amphetamine, barbiturate, marijuana or any other controlled substance, as defined in schedules I through V of Section 202 of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulations at 21 CFR 1300.11 through 1300.15.

The Drug-Free Schools and Communities Act Amendments of 1989, Public Law 101-226, requires that, as a condition of receiving funds or any other form of financial assistance under any federal program, an institution of higher education (IHE), state education agency (SEA), or local educational agency (LEA) must certify that it has adopted and implemented a program to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees.

The Drug-Free Workplace Act of 1988 requires that all grantees receiving grants from any federal agency certify to that agency that they will maintain a drug-free workplace, or, in the case of a grantee that is an individual, certify to the agency that his or her conduct of grant activity will be drug-free. Workplace is defined to mean the site for the performance of work done in connection with a federal grant. That includes any college building or any college premises; any college-owned vehicle or any other college-approved vehicle used to transport students to and from college or college activities; off college property during any college-sponsored or college-approved activity, event or function, such as a field trip or athletic event, where students are under the jurisdiction of the college.

TSTC West Texas may use random or specific investigative techniques, including drug-sniffing dogs and observation, to detect and prohibit the possession and/or use of alcohol and/or illicit (illegal) drugs.

Residence life (Sweetwater only) is a unique living situation provided by the college in which persons of differing ages, wants and needs live. TSTC West Texas officials may use observation and examination to ensure that all common areas remain drug and alcohol free. Observation by staff or an “alert” by a drug-sniffing dog will be cause to enter any room for inspection and to act on violations of the college’s Code of Disciplinary and Judicial Procedures.

All students, employees, visitors and vendors are hereby informed that all policies, rules, regulations and legislation pertaining to alcohol and drugs are to be followed and will be strictly enforced.

AMERICANS WITH DISABILITIES ACT (ADA)

TSTC West Texas abides by the Americans with Disabilities Act (ADA) in serving students with disabilities. Students may access services by contacting Director of Counseling and Testing, who also serves as ADA Coordinator.

STUDENT COMPLAINT

It is the practice of TSTC West Texas to provide students with a means to address and resolve allegations against employees of the institution. The Student Complaint Procedure is based on the belief that resolution to such complaints must be reached through the participation of all parties involved in the issue that led to the complaint. All procedures developed in relation to this practice will be applied in an equitable and nondiscriminatory manner and will protect the rights of all parties.

ACADEMIC COMPLAINTS / GRIEVANCES

It is the intent of TSTC West Texas to maintain the academic integrity of all instructional programs while affording students a fair process for appealing grades and/or other elements of instruction. An academic concern/grievance can consist of any of the following:

- A contention of an arbitrary or capricious action taken by an instructor against a student,
- A dispute over an accusation of cheating or dishonesty,
- Any other dispute over a matter which has impacted the final course grade. These procedures are for academic grievances only and apply to credit and non-credit on-campus students and off-campus distance learning students. For distance learning students, available and appropriate technology will be utilized to facilitate the procedures.

At the start of each term, faculty members will provide their students with a written statement about the course objectives, required assignments, and grading policy. If the faculty member deems it necessary to modify the assignments or grading policy within the term, students will be provided with information one week prior to the effective date of any modifications. Faculty members will apprise students of their classroom performance in a timely fashion.

If, during a term, a student has an academic concern (a dispute about a test or assignment grade or the nature of an assignment/activity), he or she should first discuss the matter with the faculty member. This discussion should take place within five working days of the occurrence of the disputed matter.

If the matter cannot be resolved between the student and the instructor, the student should consult with the division director within five working days of after the date of discussion with the instructor. The divisional director should gather as much information as is needed to make a fair ruling regarding the complaint and should apprise the faculty member and the student as to the ruling. The divisional director will make his or her ruling within five working days of hearing the student’s complaint. If the complaint cannot be resolved at the division level, the following Academic Appeal Process is followed.

ACADEMIC APPEAL PROCESS

If, after the division director has made his or her ruling, the student still feels that a fair resolution has not been achieved, the student may appeal in writing to the Vice President of Student Learning or designee. The student’s written statement should be filed with in five working days of receiving the Division Director’s ruling and should include a clear description of the original problem and why the actions taken by the college are not satisfactory. The Vice President of Student Learning or designee should gather as much information as is needed to make a fair ruling regarding the academic appeal and should apprise the division director, the department chair, the faculty member, and the student as to the ruling. The Vice President of Student Learning or designee will respond in writing to these parties within ten working days of receiving the student’s written appeal.

If dissatisfied with the proposed solution or if the provisions of the solution have not been implemented within ten working days of the proposal, the student may request that the Grievance/Dispute Resolution Committee appointed by the College President consider the complaint. This request must be made in writing to the Vice President of Student Learning or designee within ten working days of receiving the Letter outlining the solution and must specify what in the solution is not satisfactory. The committee will meet within ten working days of receiving the student’s request to review all available documentation. The committee’s decision will be final.
Students are encouraged to handle non-academic concerns or complaints through routine college channels as outlined in the steps below. The primary contact for non-academic complaints/grievances is the Vice President of Student Development or designee. (The Vice President of Student Development or designee may refer the student to the Director of Counseling and Testing for assistance at any time during the process.)

ROUTINE COMPLAINT/GRIEVANCE PROCEDURE FOR NON-ACADEMIC ISSUES

A. Discuss the situation with the TSTC employee with whom there is a problem or complaint. If the issue is not resolved to the student’s satisfaction within five working days, then proceed to Step B.

B. Discuss the issue with the employee’s supervisor. If the issue is not resolved to the student’s satisfaction within five working days, then proceed to Step C.

C. Discuss the problem with the Vice President of Student Development or designee of the employee’s department. If the issue is not resolved to the student’s satisfaction within five working days, then proceed to the Formal Written Complaint Handling Procedure that follows.

Failure of the complainant to process his/her grievance to the next step within the specified time limit throughout the process shall constitute abandonment of the complaint, unless a time extension has been agreed upon in writing. Failure of college personnel to give an answer within the prescribed time limit, unless an extension has been agreed upon previously, authorizes the student to process his/her complaint to the next step.

FORMAL WRITTEN COMPLAINT HANDLING PROCEDURE

A. Student should submit a formal complaint in writing to the Vice President of Student Development or designee.

B. The Vice President of Student Development or designee will acknowledge receipt of the complaint in writing within five working days. The notice will let the student know the matter is receiving attention and estimate the length of time it will take to resolve the issue.

C. The complaint will be investigated.

D. A solution that is consistent with TSTC policies, as well as applicable local, state and federal laws, will be proposed in writing to the student within ten working days from the date the Vice President of Student Development or designee received the complaint.

E. If dissatisfied with the proposed solution or if the provisions of the solution have not been implemented within five working days of the proposal, the student may request that the Grievance/Dispute Resolution Committee appointed by the College President consider the complaint. This request must be made in writing to the Vice President for Student Development within ten working days of receipt of the letter outlining the solution and must specify what in the solution is not satisfactory. The committee will meet within ten working days of receiving the student’s request to review all available documentation. The committee’s decision will be final.

APPEARANCE AND DECORUM (PERSONAL AND PROFESSIONAL)

TSTC West Texas is committed to educating and training students to meet the standards for success as determined by state and local industries. This includes, but is not limited to, emphasis on appropriate grooming, appearance, conduct and other non-academic aspects which can impact success.

Classroom, Laboratory and Non-Academic Areas:

- Students are to dress in a manner which is appropriate to their department and which properly represents the College. Students are expected to comply with instructor/program requirements.
- Instructors reserve the right to refuse admittance of a student into class who in their judgment the dress or appearance of said student is a distraction or is determined to be offensive to the rest of the class.
- Students are required to maintain good grooming and personal hygiene.
- Students are required to dress appropriately to meet class dress standards and safety requirements.
- For safety reasons, students may be requested to secure long hair and/or loose clothing before entering the classroom or laboratory.
- Students will be determined by the program or division. Students are expected to know these requirements and comply with the rules and regulations and other additional requirements established standards. Violations of the aforementioned rules and regulations and other additional requirements are addressed in the same manner defined for violations of the Code of Disciplinary and Judicial Procedures (Code of Conduct).

The College reserves the right to determine when a student’s dress is inappropriate for a particular occasion or place on campus. This includes, but is not limited to, the Learning Resource Center (Library), Cafeteria and The Student Center. The College administration shall be the final authority on such matters. Failure to abide by their directives and/or requests could result in disciplinary action.

hallways, offices and entrances to the buildings.
- There shall be no running or “horse play” in any instructional building.
- Tobacco use of any form is not permitted in any campus building. EFFECTIVE JANUARY 1, 2013, ALL STUDENT HOUSING IS NON-SMOKING.
- Food and drink are only allowed in the classroom or laboratory area subject to the discretion of the instructor. Instructors will ensure that classroom and laboratory areas are cleaned of litter at the end of each period.
- Students shall leave hallways, sidewalks and break areas (including outside break areas) free of litter following break periods (includes cigarette butts).
- All working areas and work benches must be kept clean at the end of the job/day.

Additional and specific requirements may be determined by each program or division. Students are expected to know these requirements and comply with the established standards. Violations of the aforementioned rules and regulations and other additional requirements determined by the program or division are addressed in the same manner defined for violations of the Code of Disciplinary and Judicial Procedures (Code of Conduct).

The College reserves the right to determine when a student’s dress is inappropriate for a particular occasion or place on campus. This includes, but is not limited to, the Learning Resource Center (Library), Cafeteria and The Student Center. The College administration shall be the final authority on such matters. Failure to abide by their directives and/or requests could result in disciplinary action.
FIRE DRILL PROCEDURES

All students and College personnel must evacuate the building when the fire alarm sounds. Faculty members in classrooms and administrators in all buildings are to enforce the following safety regulations when the fire alarm sounds:

- Evacuate all areas.
- Close all doors and windows.
- Identify any disabled person needing assistance; a range for necessary aid in evacuation.
- Follow directional signs to fire exits; use stairs, not elevators.
- Move away from the building, across the street, down the sidewalk or to a designated safety area. A minimum of one (1) fire drill is mandatory each academic year.

MOTOR VEHICLES/SPEED LIMITS/VIOLATIONS/FINES

Vehicles must be operated in compliance with the regulations posted. Speed on campus is radar controlled.

Sweetwater: The speed limit is 30 mph and 20mph on Homer K. Taylor Drive. On the apartment roadways the speed limit is 20mph. The speed limit at the apartment complex, all other parking lots and the north end of campus is 20mph.

Ableine: The speed limit is 10mph on the entire campus. Every motor vehicle shall, at all times, be equipped with a muffler in good working order and in constant operation. Muffler cutouts, bypasses or similar devises are prohibited on campus.

All motorized vehicles must be operated in a safe and legal manner at all times. The person who owns a vehicle is responsible for all notices issued on that vehicle even when the driver is not present at the time the violation notice is given. At all stop signs, drivers must come to a complete stop, pause briefly, and then they may proceed with caution.

U-turns are prohibited. Please note and obey the one way traffic flow at the campus entrance and exit and at all parking lots. The privilege of operating a motor vehicle on campus may be revoked at any time for due cause. Campus DPS Officers may issue Justice of the Peace Court tickets for due cause. When in the judgment of the Department of Public Safety officer, a student’s failure to comply with traffic and parking regulations becomes a breach of discipline, the student will be referred, in writing, to the Vice President of Student Development for disciplinary action.

Fines are assessed by Campus Police and are payable at the Student Accounting Office within 10 days of the issuance of the violation notice. A late fee of ten dollars ($10) will be assessed after ten working days.

Parking of vehicles is permitted in any designated parking space EXCEPT those specifically designated for disabled (blue), fire lane (red), visitors (black) and reserved staff (green). ANY yellow curb area is a NO PARKING ZONE. Vehicles are not to be parked along the sides of the apartment roadways. Vehicles parked incorrectly or in unauthorized designated areas will be issued parking violation notices. Vehicles MUST be parked within the boundaries of the designated parking space. Vehicles may not be parked on any curb, on any sidewalk or lawn, within 15 feet of a fire hydrant, in a fire lane or in front of or on a service drive. Vehicles may NOT be parked so as to block another vehicle.

TSTC West Texas campus regulations require that all parking violation notices be handled within 10 working days of issuance. Failure to comply with this regulation will result in the automatic suspension of driving and parking privileges on the campus. Driving and parking privileges may be reinstated by personally appearing at the Chief of Police office for the assessment of a fine and then paying the fine at the Student Accounting Office. The reinstatement fee is five dollars ($5.00) if the fine for the parking violation is not paid within ten (10) working days. Students may appeal any violation notice through the Chief of Police within five (5) office working days of issuance. If the student does not accept the decision of the Chief, he/she may appeal to the Associate Vice President of Student Development. The student and the Police Chief will present their case to the Associate Vice President. The Associate Vice President will inform each party of his/her decision either in writing or verbally within five (5) working days, his/her decision is final.

EQUAL EDUCATION OPPORTUNITY STATEMENT

Admission to TSTC West Texas with its attendant programs and services is based on the academic qualifications of the applicants and is without regard to race, color, religion, gender, national origin, age, genetic information, disability or veteran status. TSTC West Texas is in compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990.

EQUAL EMPLOYMENT OPPORTUNITY POLICY

It is the policy of TSTC West Texas to provide equal employment, individual job-related qualifications and educational opportunities without regard to race, color, national or ethnic origin, religion, disability, gender or age. Equal opportunities include, but are not limited to, applicants, employees, upgrading, promotion, demotion or transfer, recruitment, advertising, layoff, termination and rates of pay. Financial aid is dependent upon compliance with this legislation.

TITLE IX SEXUAL HARASSMENT

It is the policy of TSTC West Texas to provide an employment and educational environment free of sexual harassment. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature directed toward a student, male or female. This definition further includes sexual advances which are made as a condition of student employment on campus, form a basis for student employment decisions on campus, interfere with student performance or create an intimidating, hostile or offensive environment for the student. Any complaints of sexual harassment of any student should be made to the Vice President of Student Development or designee. Who will advise the student as to the proper procedure to follow. Privacy of individuals and confidentiality of information given will be maintained during all phases of the complaint, investigation and the action taken (if any) by the President or designee. (COP 102)

FIREARMS ON CAMPUS

The Texas Penal Code Section 46.03 prohibits a person from bringing a firearm onto the premises of an educational institution. An offense under Section 46.03 is a third degree felony. It is a TSTC Policy that students of Texas State Technical College are prohibited from using or possessing firearms or weapons of any kind while on the premises of Texas State Technical College.

CLASS PARTICIPATION

Regular attendance is necessary for satisfactory achievement. Therefore, it is the responsibility of the student to attend lecture and laboratory sessions in accordance with requirements of the course as established and communicated by the instructor. A student who fails to meet these class participation requirements will earn a failing grade (F) in the course.

SCHOLASTIC INFORMATION

The college operating procedure (COP 109) states that all students maintain satisfactory progress in the courses for which they are enrolled. Satisfactory progress is achieving a 2.0 term grade point average (GPA) and a 2.0 cumulative GPA each semester. Failure to meet this standard will affect a student’s financial aid and/or sponsorship. It is important that students become knowledgeable about guidelines and procedures concerning scholastic standards at TSTC West Texas. A student’s education could be interrupted if he/she fails to maintain this average.

ADDING OR DROPPING A COURSE

Students who wish to add or drop a course, make a sec-
CHANGE OF MAJOR
Students may change their major during the first three to five (3-5) class days of the semester or at the time they register for the next semester; depending on the program of study the student wants to change to. Approval must be obtained from both program chairs and the counselor. Forms for changing majors are available in the Admissions and Records Office.

FOUNDATION STUDIES
Foundation courses are available to provide additional instruction in basic math, English and reading skills. Students are referred to Foundation studies by a counselor if the scores the applicants make on the placement test indicate that they need additional assistance in these areas. Students may also be referred by an instructor if they are not making satisfactory progress. Students in associate degree programs are required to enroll in one or more of these courses if needed. Students who have not satisfied the Texas Success Initiative requirements must take at least one Foundation studies course until such time as Texas Success Initiative (TSI) requirements are met. Developmental studies courses are non-credit courses and the grades will not be calculated in the grade point average. Developmental studies courses the same as credit courses. A grade will be assigned for each course. NOTE: The Financial Aid Office will consider these grades the same as credit courses. Students who have completed these courses must have passed them with a grade of “C” or better to receive financial aid.

GRADE REPORTING
Grade reports are posted and available to the student in WebAdvisor within three (3) work days after the semester ends. Students should have a clear understanding with their parents before enrollment about access to grade reports. Students must keep their address current with the Admissions and Records Office. All address changes must be made in the Admissions and Records Office.

GRADUATE GUARANTEE
As detailed in College Operating Procedure (COP) #327, approved February 16, 2001, it is the practice of TSTC West Texas to guarantee the competencies of its graduates, insuring that graduates who lack required competencies will have a procedure by which the College may address that deficiency. If an Associate of Applied Science (A.A.S) degree graduate is judged by an employer to be lacking in technical job skills identified as exit competencies for a specific degree or certificate program, the graduate will be provided up to nine (9) tuition-free credit hours of additional skill training by TSTC West Texas, according to the guidelines set forth in this COP. Students wishing further information should consult the Vice President of Student Learning or designee where they can obtain a copy of the complete COP. Any necessary explanation of the specific criteria and limitations applicable to this guarantee policy would also be available.

GRADUATION PROCEDURES
Students should keep their degree plan current. It is wise to review the degree plan with the program chair at the beginning of each semester to ensure that they are taking the courses that they need to complete in order to graduate.

Students are assessed a graduation fee at the beginning of their last semester of enrollment. The graduation fee is assessed at the time they pay their tuition. Students must also apply for graduation. If a student knows his/her graduation date, he/she may apply at any time for graduation. Students who do not complete an application for graduation in advance will have the name under which they registered printed on their diploma/certificate.

Formal graduation ceremonies are held each term. Students who have completed their course-work in the prior semesters will participate in this graduation ceremony. Students must have completed all required subjects and maintain at least a 2.0 GPA. Students in associate degree programs must be TSI met and/or have been exempt from taking the test. Some programs have additional requirements which must be met. Check with your program chairperson. Caps, gowns, and graduation merchandise must be purchased from www.jostens.com or call 1-800-854-7444. Notices about activities will be sent to each graduating student.

HONORS
Students who earn a term GPA of 4.0 will be placed on the President’s List for that term (semester). Students who earn a GPA of 3.5 – 3.9 for the semester will be placed on the Dean’s List. The graduates who receive a cumulative GPA of 4.0 will be on the Board of Regents Honors and students with a 3.5 – 3.9 will graduate with honors.

Full-time students enrolled in a degree program who earn a cumulative GPA of 3.5 or higher over two (2) full semesters and who have demonstrated leadership, citizenship and other qualities consistent with the purpose and spirit of TSTC West Texas are eligible for nomination to the National Who’s Who among Students in American Junior Colleges. Nominees are selected once each year from among all eligible students. The number of nominees submitted to National Who’s Who for selection is strictly limited by the national organization.

STUDENT DEVELOPMENT
The Student Development staff, under the direction of the Vice President of Student Development, is committed to carrying out the mission of TSTC West Texas of education and care with special emphasis on serving the student. The focus is holistic. The staff recognizes each student as an individual with social, emotional, spiritual, physical, intellectual and psychological needs. The purpose of the division is to facilitate the growth of each student in an atmosphere of support, encouragement and mutual respect. The members of this division are advocates for the students. Each seeks to enhance and protect both the rights and the responsibilities of each student and of the college community. Each of the following departments within the division work together to fulfill this challenge:
RULES, REGULATIONS AND GOVERNANCES

- Admissions and Records
- Book Store
- Career Planning and Placement
- Cardiovascular Fitness Strength Training Center (Sweetwater Only)
- Counseling and Testing
- Education Career Specialists
- Food Service (Sweetwater Only)
- Health Services
- Housing (Sweetwater Only)
- Marketing and New Student Admissions
- SOS Team (Retention)
- Student Activities/Intramurals

All of these departments have an open-door policy and are committed to working with the students, administration, faculty and staff to shape a positive environment in which students can develop and be empowered. The education which can and does occur outside the formal classroom enables students to become more productive members of their community, more marketable to employers and more productive in their daily endeavors. This facet of a student’s education is the responsibility of the Student Development staff.

STUDENT ACTIVITIES

It is the goal of the Student Activities staff to provide a comprehensive and varied program of social, intramural and recreational opportunities regardless of the skill or ability of the individual. Through intramurals, clubs and organizations, recreation and special events, the goal is to strive to meet the needs and interests of students, faculty members, staff, and non-student participants. This staff promotes various recreational and social opportunities, not only to enhance physical activity, but to cultivate lifelong sport and leadership skills to develop habits of fair play, to foster personal health and to prepare people for the workload in today’s high tech society. Student Activities supports and provides services that integrate students, employees and the public through clubs, organizations, recreation, sports or other college-sponsored events.

Students missing class to travel on trips sponsored by the TSTC West Texas Student Activities Department should have at least a cumulative grade point average of 2.0 or last semester/semester grade point average of at least 2.0 (See Campus Operating Procedure 455: Student Travel). Students must be enrolled or transcripted for a minimum of six (6) credit hours in the semester which travel will occur. If between semesters, they must be registered for a minimum six (6) credit hours. They must also have permission from an instructor of each class missed.

Moreover, students who have been reported to the Counseling and Testing office for class non-participation for that semester will not be allowed to travel on events sponsored by the Student Activities Department (regardless of GPA). Those who have been involved in disciplinary issues reviewed by the Director of Student Life may not be allowed to travel. Each person will be evaluated on a case by case basis with the final decision being made by the Vice President of Student Development or designee.

INTRAMURAL SPORTS - SWEETWATER

Competitive tournaments and leagues are organized and conducted in a variety of sports and games by the Student Activities/Intramural Department. Activities are offered in women’s, men’s and co-recreational divisions for students and staff of all skill levels. Programs offered are based upon the availability of resources and facilities. Intramural sports include, but are not limited to, basketball, flag football, golf, volleyball, softball, tennis, horseshoes, disc golf and badminton.

OUTDOOR FACILITIES - SWEETWATER

Students, staff and non-student members are welcome to use a variety of available outdoor facilities. They must accept full responsibility for their guest(s). TSTC West Texas will not assume responsibility for any injuries and/or property damage that may occur at or around the outdoor facilities. The outdoor recreational facilities include the lake lot rental property, basketball court, tennis court, sand volleyball court, flag football field and the softball field in Sweetwater.

SPECIAL EVENTS

Sponsored special events, an integral part of the Student Activities Department, are supervised by TSTC West Texas employees. All such special events are considered TSTC West Texas functions; therefore, all Texas State Technical College West Texas policies and rules apply. Academic and personal conduct standards also apply. Events include, but are not limited to, dances, banquets, cookouts, parties, holiday functions, Special Student Days, Student Appreciation Day, guest speakers and community related events.

TRIPS AND TRAVEL

Student Activities offers a variety of opportunities for the student, faculty, and staff to get away from the pressures of academia. Trips ‘n Travel is open to all of the TSTC West Texas community. Sign up normally begins three weeks prior to departure, and deposit payment is due in full at the time of sign up. Trips are offered at very reasonable rates which fit the student budget. Trips are usually limited to a set number and are filled on a first-come, first-served basis. Activities include, but are not limited to theme parks, camping, rafting/canoeing, fishing, hiking, museums and other points of interest.

Students driving personal vehicles and/or transporting others in their personal vehicles on college trips must show proof of current liability insurance. Students will be required to ride in state vehicles or contracted transportation on long trips offered by the Student Activities Department. Those students traveling in a state vehicle sign a field trip release form. Students are not permitted to drive state vehicles.

All officially recognized student organizations sponsoring dinners, picnics or other social functions, either on or off campus, MUST coordinate such functions with the Vice President of Student Development and have them approved by the designated representative. Student organizations and their advisors (sponsors) are responsible for compliance with TSTC West Texas policies and regulations and all applicable state and federal laws.

TSTC West Texas is judged by the actions of its students, on and off campus. Therefore, students will be responsible to College authorities for any questionable acts, regardless of where they are committed.

No alcoholic beverages and/or illegal drugs or controlled substances will be permitted at any College-sponsored activity. Texas State Technical College West Texas is committed to providing an alcohol-free environment to its students and employees. Regulations concerning this policy will be enforced. A zero tolerance drug and alcohol policy is the TSTC West Texas policy.
TSTC West Texas encourages groups of students and staff interested in a common purpose to organize and seek approval as a recognized student organization. Student organizations must comply with College policy, rules and legal requirements. All organizations, clubs or associations of TSTC West Texas students shall have a stated purpose, constitution or by-laws approved by the Board of Regents and a TSTC West Texas faculty/staff advisor. In no case shall any such organization be established for secret purposes or for purposes which are discriminatory against any race, color, national or ethnic origin, religion, disability, gender or age. No student group or organization may use the name of the College or an abbreviation of the name of the College as a part of the group’s name.

Participating in a student club can be a very enjoyable experience. It not only provides a group of people with the same interests, but it also enhances a resume. Some TSTC West Texas clubs are affiliates of state and national groups. Recognized clubs and organizations include the following:

The Center and dorms provide an ideal setting for these events. For more information about scheduling or events planning, please call Joni Coons at 325-235-7418.
THE STUDENT CENTER

The Sweetwater Campus has the Student Center, a health and recreation facility, which offers large screen televisions, cardiovascular fitness strength training center, gymnasium, jogging/walking track, seminar room and food service (caféteria, catering) and houses the offices of the Associate Vice President of Student Development, Health Services, Student Activities/Intramurals, and Housing. Students, faculty, staff and non-student members are allowed to check out equipment through the Center’s Information Station. A valid TSTC West Texas identification card and/or a current non-student membership card will be required by every individual wanting to check out equipment. Equipment available for check-out includes: basketballs, footballs, volleyballs, portable volleyball nets with standards and volleyballs, tennis rackets and tennis balls, softball equipment, soccer balls and kick balls. Family members and youth of the community are permitted to utilize the recreational facilities. However, no one under the age of 16 is allowed in the Cardiovascular Fitness Strength Training Center. In addition, minors under the age of 16 are permitted use of the gymnasium if attending a supervised class or activity or under the direct supervision of a parent, custodian or legal guardian. For details, see the Information Station attendant.

Complete workout attire, including appropriate athletic clothing and shoes, is required while using the Cardiovascular Fitness Strength Training Center. Appropriate or acceptable workout attire is defined as sweat/jogging suit, shorts, T-shirt and athletic shoes. Head gear is limited to caps, sweat bands and bandanas. All workout clothing must be washable. Blue jeans are not acceptable except when using the jogging/walking track and the gymnasium. Shoes (court, jogging, walking) and shirt must be worn. All other Student Center rules and regulations apply.

Non-members may use these same facilities under this policy, but will be required to pay the daily membership fee. For details, or to verify the acceptability of footwear, see the staff member at the Information Station.

The Student Center schedule applies only to regular school terms. It may, at times, be open for students enrolled in programs that continue through semester breaks. The Student Center is closed for ALL College holidays. It will also be closed when full student participation is requested at places other than in The Student Center. The Cardiovascular Fitness Strength Training Center and/or the gymnasium may also be closed for college or community events.

COUNSELING AND TESTING

The Counseling and Testing Department is an integral part of TSTC West Texas. Its mission is to provide quality services to eligible individuals in the college community. It is based on a commitment to respond primarily to students’ needs in setting career goals and reaching their personal and academic potential as individuals. The staff offers counseling and testing assistance designed to help students define and accomplish personal, educational, social and career goals. The operations of the department are designed to offer comprehensive, short-term, accessible and flexibly delivered services either on-site or through local referral.

A primary goal of the department’s staff is to assist students in developing as mature individuals to become competent, interdependent adults who use their intellectual skills with wisdom and integrity. By providing support and challenge, the staff helps students cope with greater levels of complexity to master life skills required to accomplish life tasks essential to successful post-college adaptation. Students may also see a counselor for a number of other reasons, including excessive absences, scholastic warning/suspension, financial aid suspension appeals, academic advisement for undeclared or non-degree seeking majors, tutors, filing a complaint/formal grievance, etc. The Director of Counseling and Testing serves as the Americans with Disabilities Act (ADA) Coordinator for students. Students may come to Counseling and Testing to self-identify a disability and request reasonable and appropriate accommodations under the ADA. A disability information sheet which outlines this process is available outside the Counseling and Testing Department.

CAREER PLANNING AND PLACEMENT

This type of activity is ideal for those who wish to improve their stamina increase their energy level, lower harmful cholesterol and blood pressure levels and maintain health and fitness. For anaerobic fitness, the Strength Training Center offers a variety of free weights and circuit training equipment to help individuals tone up or build muscle mass.

**BACTERIAL MENINGITIS**

Bacterial Meningitis Vaccination Required for All New Students under the age of 22. (New Law effective January 1, 2013)

Certification from a physician or clinic that the student has been vaccinated during the five year period immediately preceding and at least 10 days prior to the first day of class. An affidavit or a certificate from a physician stating that the vaccination would be injurious to the health and well-being of the student or stating that the vaccination has been declined for reasons of conscience. Official form for conscientious objection: https://webds.dhs.state.tx.us/memo/

Meningitis is an inflammation of the covering of the brain and spinal cord - also called the meninges. It can be caused by viruses, parasites, fungi, and bacteria. Viral (aseptic) meningitis is common; most people recover fully. Medical management of viral meningitis consists of supportive treatment and there is usually no indication for the use of antibiotics. Parasitic and fungal meningitis are very rare. Bacterial meningitis is very serious and may involve complicated medical, surgical, pharmaceutical, and life support management.

There are two common types of bacteria that cause meningitis:

- *Strep pneumonia* - causes pneumococcal meningitis; there are over 80 subtypes that cause illness
- *Neisseria meningitidis* - meningococcal meningitis; there are 5 subtypes that cause serious illness - A, B, C, Y, W-135

Liking on campus challenges each student to develop a new personal awareness and to exchange ideas and experiences. Research has proven that quicker adjustments are made and better grades attained when the student is not burdened with the pressures of commuting. Someone with meningitis will become very ill. The illness may develop over one or two days, but it can also rapidly progress in a matter of hours. Not everyone with meningitis will have the same symptoms, but any of the following are possible.

Children (over 1 year old) and adults with meningitis may have:

- Severe headache
- Sensitivity to bright lights
- High temperature
- Neck stiffness, joint pains
- Vomiting
- Drowsiness or confusion

In both children and adults, there may be a rash of tiny, red-purple spots or bruises caused by bleeding under the skin. These can occur anywhere on the body. They are a sign of blood poisoning (septicemia), which sometimes happens with meningitis, particularly the meningococcal strain.

The risk of getting bacterial meningitis in all age groups is about 2.4 cases per 100,000 population per year. However, the highest risk group for the most serious form of the disease, meningococcal meningitis, is highest among children 2 to 18 years old. Do not share food, drinks, utensils, toothbrushes, or cigarettes. Limit the number of persons you kiss. Vaccines against pneumococcal disease are recommended both for young children and adults over 64. A vaccine against four meningococcalsero groups (A, C, Y, W-135) is available. These four groups cause the majority of meningococcal cases in the United States. The vaccine is safe and effective (85-90%). It can cause mild side effects, such as redness and pain at the injection site lasting up to two days. Immunity develops within 7 to 10 days after the vaccine is given and lasts for up to 5 years.

Your school nurse, family doctor, and the staff at your local or regional health department office are excellent sources for information on all communicable diseases. You may also call your local health department or Regional Texas Department of Health office to ask about meningococcal vaccine. Additional information may also be found at the Web sites for: www.cdc.gov and the Texas Department of Health: www.dhhs.state.tx.us.

Students are strongly encouraged to visit with their primary care physician or area health clinic as soon as possible to receive the appropriate vaccinations.

For more information contact an admissions advisor at your TSTC campus.
