In addition to tuition and fees, the Aircraft Pilot Training program requires flight fees for the program. See the additional estimated flight fees below.

**AIRCRAFT AND INSTRUCTION RATES**

**Cessna 172:**
- Solo flight $110/hour
- Fuel surcharge $35.00/hour^1

**Piper PA28R:**
- Solo flight $140/hour
- Fuel surcharge $35.00/hour^1

**Piper PA44-180:**
- Solo flight $160/hour
- Fuel surcharge $70.00/hour^1

**Instruction:**
- Dual flight instruction $65/hour^2
- Pre/Post flight ground instruction $65/hour^3
- Additional ground instruction $65/hour

^1*Fuel surcharge based on ((TSTC discounted price per gallon x gallons per hour) + 5%)
^2*This is in addition to the solo flight fees for the aircraft flown when flying with an instructor
^3*Pre and post flight ground instruction is based on .6 hours billed per dual instruction flight

**ESTIMATED EXPENSES PER COURSE**

These are not flat-rate courses. Estimates are based on realistic times for students to complete each course. Each student will complete flight courses at their own pace. Therefore, your hours and fees will vary based on your ability to master the course objectives.
