\*\*The CBM009 is submitted once a year, in the Fall of the Fiscal year.

\*\*The CBM009 report will include all degrees and certificates which have been awarded to students in active Coordinating Board-approved programs **during the fiscal year**. Also included are progress measures of students who have completed the core curriculum and/or approved fields of study. By definition, the progress measures are not awards.

If a student is awarded an associate degree and a certificate concurrently, a separate record for each award must be submitted. Each progress measure will be submitted in a separate record but only once for each specific measure.
