

# EDUCATION AND TRAINING

## PROGRAM DETAILS

No one ever forgets their favorite teacher. If you are looking to get into this rewarding profession, Texas is a great place to start — it's third in the nation in employment for jobs like teacher assistants, paraprofessionals, daycare workers, and preschool teachers. Later, you can apply the credits you earn at TSTC toward a bachelor's degree and teacher certification and become a full-time teacher.

### Education and Training Pathway

Course	Course Name	Credit Hours
EDTC 1301	Educational Systems	3
EDTC 2317	Guiding Student Behavior	3
EDTC 1341	Instructional Technology and Computer Applications	3
EDTC 2311	Instructional Practices and Effective Learning Environments	3

### Education and Training Program of Study

Teachers are in great need in Texas and across the country. Get the skills you need to help children learn in the classroom. You can be that one person a child remembers who helped them grow and achieve their educational goals.

TSTC AWARDS	Median Wage
Dual Enrollment Pathway	\$7-\$9/Hour
Certificate II	\$9-\$11/Hour or \$50-\$100/Day
Associate Degree	\$10-\$15/Hour or \$75-\$120/Day

## CAREER OPPORTUNITIES

Gain specialized training in one of four developed educational areas of emphasis, consisting of educational classes and technical labs for hands-on learning. You will learn state-of-the-art media and technical resources to create and develop instructional materials to be used in a school setting. If you're looking to get in the classroom quickly, TSTC also offers the certification to help you get your career started.
