

# TRADITIONAL EDUCATION

# VS.

# PERFORMANCE- BASED EDUCATION

**Schedule:** Lab times are set by the course schedule.

**Deadlines:** Due dates are set by faculty.

**Grading:** As long as you pass the class, you can move forward.

**Assessments:** You are only allowed to take your test or assessment one time. If you fail, you fail.

**Tuition:** Full-time and part-time\* students pay the same amount for each class.

**Schedule:** On select campuses, you set your lab times so they fit your schedule.

**Deadlines:** You work with **Guide Dates** that help you stay on track and complete your work by the end of the semester.

**Grading:** Successful mastery assessment completion moves you forward in the course and determines your final grade.

**Assessments:** You have multiple opportunities to successfully pass each mastery assessment.

**Tuition:** Full-time students pay a subscription rate. The more classes you move through, the lower your cost.

Rich course material.

Your GPA is based on an average of your class grades.

Part-time students pay the same amount for each course.

You will have the support of an enrollment coach.

You earn a transcript when you complete your program.

**TSTC***You*  
LET EDUCATION WORK FOR YOU

Contact your program enrollment coach,  
or visit: [tstc.edu/you](https://tstc.edu/you) for more information.

\*Full-time enrollment is equal to 12 credit hours or more per semester. Part-time enrollment is 11 credit hours or less per semester.
