Class Participation: Students who do not attend class will lose financial aid eligibility. Class participation is required to remain eligible for financial aid programs. No-show students will lose financial aid funds. The student will then be responsible for paying balances due to TSTC.

To avoid any tuition charges, review your schedule and make necessary changes prior to the first-class day of the semester. Refunds will be calculated for schedule changes made on or after the first day of the semester. The student is responsible for making schedule changes, dropping classes or withdrawing at the Enrollment Center.
